Bond of Blood is a modern version of the biblical story of the prodigal son. It tells the tale of a father, David, who owns a wine farm in Stellenbosch, and his two sons. The younger son, Luke, an aspiring stock trader, wants to get out of farming and move to the city. To do so, he needs money and asks his father for half of his inheritance.

~~Bond of Blood (2015) - IMDb~~

Bond of Blood is one of the first books Roberta Gellis wrote, if not the first. It is a story of two families who come together by marriage. Politics plays a major reason for the marriage. The Earl of Pembroke ultimately wants to kill his son-in-law to gain control of his lands.

This is a review of the entire 'Texas Vampires' trilogy. Each of the three books centres around the same event, told from a different perspective in each book. The event is a take-over being orchestrated by she-bitch Vampire Queen, Madame Celeste, who rules New Orleans but is trying to encroach on the Texas territory owned by Don Rafael Perez. 'Bond of Blood' (2006) is the first book and is told from Don Rafael Perez's perspective.

The Bond of Blood is an extremely powerful ancient magic which is formed when a person sacrifices himself or herself for a family member, out of love. The sacrifice creates a lingering protection in the blood of the person who was saved. It is not activated, however, until the charm is actually cast, and it is not sealed and functioning until another member of the family accepts the saved person as his or her own.

~~Bond of Blood - Harry Potter Lexicon~~

Once activated, this bond of blood will prevent harm from coming to the beneficiary when they are in their relative's home but it will break automatically when the saved person moves out permanently or turned seventeen (the age of majority in the British wizarding world), whichever happens first.
