That the "brother-making" rite possibly allowed room to maneuver for premodern queer men, long before that term ever existed, is critical to the history of Christianity.

~~The Hidden Queer History of Medieval Christianity | Time~~

"Queer" was once used by homophobes to negatively describe a gay man or woman. That change began to happen early in the 1900's when the word started to be used as a form of insult towards men and women who engaged in same-sex relationships and to those who exhibited non-normative gender expressions.

History of the persecution of queer men and women. The fact that it was even possible to establish an alternative narrative alongside that of crushing homophobia is a credit of the Gay Liberation movement. Until the 1970s, historians failed to discuss the Nazi persecution of homosexuals.

~~Queer History and the Holocaust – On History~~

The origins of the word itself are dubious but what we know for sure is that 'queer' first entered the English language in the 16th century. Its original meaning was 'strange' or 'peculiar' – hence the idiom "there's nowt so queer as folk".

~~Tracing the history of the word 'queer' | Dazed~~

Queer Theory: A Rough Introduction. Queer theory's origin is hard to clearly define, since it came from multiple critical and cultural contexts, including feminism, post-structuralist theory, radical movements of people of color, the gay and lesbian movements, AIDS activism, many sexual subcultural practices such as sadomasochism, and postcolonialism.

~~Background – Queer Theory – LibGuides at University of ...~~

Queer has a mixed history – from the 19th century onwards it has been used both as a term of abuse and as a term by LGBT people to refer to themselves. Our inspiration for using it came from Derek Jarman who said that it used to frighten

Queer people have impacted every part of culture, yet all too often their lives have been written in the margins of history books. Valuable stories and artefacts are being lost. Once gone, they may never be recovered. These deserve a dedicated space to be preserved, explored and celebrated.

~~HOME | Queer Britain~~

Queer is a word that clarifies that I'm not straight and ties me to the larger queer community, but it doesn't categorize me as gay. The vagueness of the term is intentional— queer is an ...

~~Queer Definition—What Is the Meaning of Queer, Queer vs Gay~~

This article traces the journey of the LGBT community from 1533 to today, looking at the battles for equality that were fought and legislative changes made. The Buggery Act of 1533, passed by Parliament during the reign of Henry VIII, is the first time in law that male homosexuality was targeted for persecution in the UK.

Organizations such as the Irish Queer Archive attempt to collect and preserve history related to queer studies. Queer theory is a field of post-structuralist critical theory that emerged in the early 1990s out of the fields of queer studies and women's studies. Applications of queer theory include queer theology and queer pedagogy.

~~Queer - Wikipedia~~

That the "brother-making" rite possibly allowed room to maneuver for premodern queer men, long before that term ever existed, is critical to the history of Christianity. Narratives like these push us to understand the ways in which intimacies between men existed in various aspects of religious life, even between monks.

~~The Overlooked Queer History of Medieval Christianity~~

A Queer History of the United States is useful only for gaining a brief outline of how the homosexual culture has affected the country as a whole. The research is shoddy and often uses accepted 'facts' that are actually false or at the least unprovable - James Dean was a homosexual, Eleanor Roosevelt had lesbian affairs.
