~~Albert Einstein Quotes (Author of
Experiments For Kids
Relativity)~~

In his famous paper on special
relativity in 1905, Albert Einstein
deduced that when two clocks
were brought together and

Get Free Albert Einstein And Relativity For Kids His

synchronized, and then one was moved away and brought back, the clock which had undergone the traveling would be found to be lagging behind the clock which had stayed put. Einstein considered this to be a natural consequence of special relativity,
