All The Things We Never Knew is a solid read filled with love, heartbreak, betrayal, grief and secrets. I enjoyed all of these things because it just shows how much of an emotional beating that teenagers face in their lives. I wish that I could quote this book, but sadly this is an ARC. I have sticky tabs on just about every page.

Never See the balance on the delicate knife edge of the weird, taking place at the moment of incision, just before the blood rushes to the cut. Full of quiet menace and strangeness, with characters bound into odd relationships both to the world and themselves, relationships they themselves often fail to understand, this is weird fiction at its finest."

Like to live with and love a spouse with mental health challenges. Written well, accurately describing the depression and mania of what later becomes a bipolar diagnosis, she captures the struggle of piecing together biological, psychological, and environmental factors that ultimately lead to a hard but hopeful ending.
