## Download File PDF America Transformed Globalization Inequality And Power

Innovative and provocative, *America Transformed: Globalization, Inequality, and Power* examines the links between global processes and shifting patterns of stratification, inequality, and social mobility. The study of globalization--the interconnection of the world culturally, socially, politically, and most importantly, economically--is a growing area of study in college curricula.

*America transformed : globalization, inequality, and power ...*

*America Transformed: Globalization, Inequality, and Power* examines these questions by analyzing the links among global processes and shifting patterns of stratification, inequality, and social mobility in the United States. While many texts separate discussions of macro- and micro-level processes when examining globalization, this book skillfully integrates general macro-level processes with specific reference to the micro-level effects of globalization in the U.S.

*America Transformed - Paperback - Gary Hytrek; Kristine M ...*

By examining the social construction of globalization, the authors identify the key policy challenges of globalization, and some of the innovative community-based responses to social inequality. *America Transformed* provides powerful insights into the contested dialectical relationship between global and local forces: how globalization shapes stratification and inequality in the U.S., and how local communities attempt to mediate those changes.
