Our American Government textbook adheres to the scope and sequence of introductory American government courses nationwide. We have endeavored to make the workings of American Government interesting and accessible to students while maintaining the conceptual coverage and rigor inherent in the subject at the college level. With this objective in mind, the content of this textbook has been developed and arranged to provide a logical progression from the fundamental principles of institutional design at the founding, to avenues of political participation, to thorough coverage of the political structures that constitute American government. The book builds upon what students have already learned and emphasizes connections between topics as well as between theory and applications. The goal of each section is to enable students not just to recognize concepts, but to work with them in ways that will be useful in later courses, future

careers, and as engaged citizens. The organization and pedagogical features were developed and vetted with feedback from American government instructors dedicated to the project.

Acclaimed for the scholarship of its prominent authors and the clarity of its narrative, **AMERICAN GOVERNMENT: INSTITUTIONS AND POLICIES** sets the standard for public policy coverage while maintaining focus on three fundamental topics: the institutions of American government; the historical development of governmental procedures, actors, and policies; and who governs in the United States and to what ends. Student involvement in the material is bolstered by proven pedagogical features such as chapter outlines, Who Governs? and To What Ends? learning objective questions framing each chapter and How Things Work boxes that summarize important facts. The significantly enhanced media package with new online tools makes the learning experience engaging and accessible. This bestselling book has been extensively revised to provide in-depth coverage of President Barack Obama's first two years in office and the 111th Congress, the 2010 congressional elections, continued concerns related to the wars in Iraq and Afghanistan, and domestic concerns related to health care reform and the economy.

How should we govern? and What should government do? Professors Edwards, Wattenberg, and Lineberry evaluate how well the American system lives up to citizens' expectations of democratic government and discuss alternative views concerning the proper scope of American government. In doing so they help students answer the critical question, "What difference does politics make?"

A fresh, accessible perspective on the fundamentals
