Our brand-new resources are written specifically to tackle the demands of the GCSE (9-1) Maths.

Please note this title is suitable for any student studying: Exam Board: AQA Level: GCSE Subject: Mathematics First teaching: September 2015 First exams: June 2017 AQA GCSE Maths, Higher Student Book has been approved by AQA and specially written by a team of maths experts for the Higher tier of AQA's 2015 GCSE specification. Designed to fully support the new style of assessment, the book adopts a clear style to focus on delivering exam success via the careful development of fluency and problem solving practice. Powered by MyMaths the book links directly to the ever popular web site offering students a further source of appropriate support.

The book provides extensive support for the students taking the new GCSE with AQA, with a strong emphasis throughout on 'How science works'. It focuses on real-life contexts, allowing students to understand that science is not always centred in a laboratory. The book aims to motivate and engage students with many up-to-date applications and ideas. This is a book based firmly in the 21st Century. The pages are packed full of activities to help students prepare for the new Investigative Skills Assignments, while continuing to provide plenty of questions for homework and practice for external exams. Higher-tier students will find plenty of material to apply their knowledge and to progress their skills in areas such as enquiry and data handling. When used with the Foundation Student's Book these two titles provide comprehensive differentiation in teaching AQA Core Science to students of all abilities. The authors include experienced examiners, successful writers and practising teachers.
