Ordination has always been an important ritual in most churches and denominations, particularly Southern Baptists churches. But where did the practice of ordination originate? Does ordination have any biblical basis? Can we point to Scripture passages that define the why and how of ordination? This book attempts to answer those questions on ordination, examining both the traditional and biblical backgrounds. For those searching for answers on ordination, this book will help you get started on your quest. This book has been extensively researched and fully noted. Also included is a large annotated bibliography, for conducting your own research. An Examination of the Practice of Ordination in Southern Baptist Churches is a tremendous source on the topic of ordination.

Have you ever thought that we as Independent, Fundamental, King James Bible Baptists, need a revival of Ordination in our kind of Churches? Ordination is to pass on The Faith as it was "...once delivered..." (Jude 3) Could this be the underlying problem for some of the lack of power today? Are there good men out there in the ministry, who are struggling in their own strength; while they attempt to serve their Lord; and all because of not being properly "...ordained..." into the ministry? Can we stop some of the wicked tide of the defecting to doctrinal worldliness, by holding to the task of ordaining qualified and prepared men; as The Lord committed it to us to do? Could Biblical ordinations weed out some of the potential wolves in sheep's clothing; and empower our future Pastors and Evangelists, to be better used to help expose, and even transform those wolves into sheep? Thank The Lord that there are those Baptist Pastors, under the authority of Baptist Churches, who still seek to carry on this all important part of the ministry of The Local Church. But more of us need to take a hard, stern look at the state of ordination in this time. Has it been neglected by us? Can we as Independent, Fundamental Baptists see ordination restored? Does The Lord want it so? The answer to all such questions is a solid "Yes"!

Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

Generalized approaches can never fully address distinct disciples. The book is a collection of twenty-one essays discussing how Baptists throughout the world have related to other Christians and to other institutions and movements over the centuries. The theme of this collection of twenty-one essays, 'Baptists and Others', includes relations with other Christians and with other institutions and movements. What, the authors ask, has been the Baptist experience of engaging with different groups and developments? The theme has been explored by means of case studies, some of which are very specific in time and place while others cover long periods and more than one country. In the first half the contents are arranged by period. The first section examines early Baptists, the second nineteenth-century Baptists in Britain and America and the third Baptists in the twentieth century. The second half turns to various parts of the world. There is a section on Australia, another on New Zealand and a third on Asia and Africa. The overall picture is one of a complicated series of relationships as Baptists defined themselves as different from other bodies and yet, especially in the twentieth century, tried to co-operate in mission and ecumenical endeavour. 'Baptists are often regarded as enthusiastic separatists and unenthusiastic ecumenists. These essays, based on hard evidence rather than passing impressions, are a necessary correction to superficial prejudices and show the reality to be much more complex and nuanced, as well as varied over time and place. The book is a smorgasbord of delights. Yet, readers should avoid the temptation to pick and choose from the menu, ensuring rather that each offering is digested so they enjoy a balance and nutritious meal.' Derek Tidball
