The latest architecture and design of restaurants and bars, from L.A. to Tokyo, is the focus of this book. Whether the challenge is merely placing furniture in a simple space, or an ambitious structural project, restaurants and bars are the sites of our most expressive architecture; more ephemeral than larger facilities or entire buildings, they are more apt to capture the mood of the times.

Ping pong bars are all the rage in London right now, and few do it better than Bounce. A buzzing underground spot made for eating, drinking and playing ping-pong late into the night, the tables here can fit up to 20, and the table service policy means you won't have to ditch your area when ordering in the delicious pizza or a few gin-based cocktails.
