~~READ FOR PSYC 333 It was a surprise to find that we skipped over the Freud chapters entirely. But like my teacher said, he's such a staple that we've probably learned enough about him by now. I was already familiar with Erikson, Adler, and Rogers, but the rest of them I was only vaguely familiar with, if at all.~~

~~Beneath the mask by Christopher F. Monte, August 1998, John Wiley & Sons edition, Paperback - 6th Instr edition~~

Beneath the Mask presents classical theories of human nature while emphasizing the theorist's progression of ideas. The eighth edition continues to discuss the ideas of personality theorists developmentally. This account of personality theory incorporates the personal origins of ideas to highlight the links between the psychology of each theorist and that theorist's own psychology of persons. It also explores how the personal histories, conflicts, and intentions of the theorist entered that thinker's portrait of people.

This book chronicles the journey of four individuals who struggle through the pain of life only to discover there was always a promise of life. They have voluntarily taken off their public masks of "I'm OK, You're OK" to reveal the hidden lessons of hope that lay beneath the mask.

Forty-year-old William Coday lived the quiet life of a scholar. He spoke six languages and held degrees in history, literature, and library science. As a librarian in Fort Lauderdale, Florida, he was known to be unfailingly kind and helpful. But you can't always judge a book by its cover... When Coday failed to show up for work one day, a concerned colleague looked for him at his apartment...only to discover the body of Gloria Gomez. Coday's ex-girlfriend, Gomez had been bludgeoned to death with 144 blows by two hammers and a knife. Police at the scene had little doubt that Coday was the killer. But other, darker secrets from Coday's past had yet to come to light... In one of the most shocking crime cases and legal appeals in Florida history, an extraordinary courtroom battle began.What the jury did not know was that Coday, when he lived abroad, had beaten another ex-girlfriend to death; the courts there had deemed him insane. Who was William Coday: Mentally unstable? Or perfectly capable—and guilty—of murder in the first degree? Soon it would be up to prosecutors to prove who the real man was BEHIND THE MASK. Behind the Mask is a 2007 Bank Street - Best Children's Book of the Year.
