"Part lively social history, part architectural survey, here is the story of Broadway!from 17th-century cow path to Great White Way."Geoff Wisner, Wall Street Journal From Bowling Green all the way to Marble Hill, Fran Leadon takes us on a mile-by-mile journey up America's most vibrant and complex thoroughfare, through the history at the heart of Manhattan. Broadway traces the physical and social transformation of an avenue that has been both the "Path of Progress" and a "street of broken dreams," home to both parades and riots, startling wealth and appalling destitution. Glamorous, complex, and sometimes troubling, the evolution of an oft-flooded dead end to a canyon of steel and glass is the story of American progress.

A visual and oral history of the last twenty years of theater, containing a collection of behind-the-scenes photos, concept art, and posters, as well as personal anecdotes.

The Book of Broadway is a celebratory, gorgeous tome dedicated to what is arguably the quintessential American art form: the Broadway show. Lose yourself in 150 profiles of the best, most influential, and most important Broadway musicals and plays ever produced.Shows profiled include everything from the 1860s musical The Black Crook, which captivated and titillated audiences for more than five hours, to Hamilton, Broadway's biggest story of 2016. The men and women who shaped Broadway history--such as Stephen Sondheim, Tennessee Williams, Bernadette Peters, Richard Rodgers, Oscar Hammerstein II, Ethel Merman, Marlon Brando, August Wilson, and Nathan Lane--are celebrated for their groundbreaking work and photographs throughout illustrate the stunning designs of the shows. This comprehensive book by Eric Grode--arts writer for The New York Times, and author of Hair: The Story of the Show That Defined a Generation--is the ultimate guide to Broadway shows. Even if you consider yourself an expert in the theater, you will be amazed by the fantastic Broadway trivia scattered throughout this volume, as well as the palpable sense of history in this encyclopedic treatment of one of our most beloved pastimes. Just a few of the titles included are: -Annie -The Book of Mormon -Bye Bye Birdie -Cat on a Hot Tin Roof -Chicago -Death of a Salesman -Fiddler on the Roof -Grease -Guys and Dolls -Hamilton -Hello, Dolly! -Kiss Me, Kate -Les Misérables -The Music Man -My Fair Lady -The Phantom of the Opera -Rent -Six Degrees of Separation -The Sound of Music -A Streetcar Named Desire -West Side Story And so many more!

This title examines the careers of Broadway's major orchestrators and follows the song as it travels from the composer's piano to the orchestra pit.
