Broccoli And Desire

*Broccoli and Desire tells the story of globalization from the ground up, focusing on the lives of ordinary people the producers and consumers of a vegetable that many often take for granted. The authors, perceptive, boots-on-the-ground ethnographers, look beyond the usual neoliberal models to show how the local is transformed by global economic forces.

Broccoli and Desire: Global Connections and Maya Struggles...

We argue that the global broccoli trade is shot through with desires—desires of Western consumers to eat healthy foods as well as desires for Maya farmers to get ahead economically. Such desires simultaneously subvert and sustain the hegemonic constellations that anchor crucial nodes in the international broccoli trade.

The authors, perceptive, boots-on-the-ground ethnographers, look beyond the usual neoliberal models to show how the local is transformed by global economic forces.

Broccoli and Desire: Global Connections and Maya Struggles...

The authors of Broccoli and Desire have used this poetic title to lure readers into an examination of the complex impacts of globalization on Mayan subsistence farmers in Guatemala. The opening of the book invites the reader to see the threads that unite the rural farmer who grows the broccoli for markets in North America, with the average health-conscious consumer in the Kroger 's supermarket in Nashville.

Broccoli and Desire: Global Connections and Maya Struggles...

In Broccoli and Desire, Fischer and Benson use the deceptively simple question, how the Maya want, as a tool to break down globalization and other political-economic issues. In seeking to show why growing broccoli for export is both dangerous and compelling for Maya farmers, the authors have given us a compelling product—a ground-breaking study that is engagingly written and innovative in its conception.*

Broccoli and Desire - Edward F. Fischer, Peter Benson...

Desire is the condition of possibility for the broccoli trade. It mobilizes energies and makes producers and consumers into reflexive agents who monitor their own practices and comport themselves to the opportunities and risks that blossom out of this seemingly innocuous vegetable.

Broccoli and Desire, Antipode | 10.1111/j.1467-9330.2007...

It is argued that the global broccoli trade is shot through with desire - the desire of Western consumers to eat healthy foods, as well as the desire of Maya farmers to get ahead economically.

Broccoli and desire: global connections and Maya struggles...

In a surprising look at the hidden world of broccoli, this richly drawn ethnography traces the global commodity chain between U.S. consumer and Maya farmer, examining the connections between desire and material production.
