attention. That means getting to the point without fussing about too much.

How To Create Website Content That Converts - WSI

...

Content that Converts. People no longer buy products and services. People buy into stories that they relate to, and people buy from people who are authentic and trustworthy. Therefore, the "best" company doesn't always win, but the people who create the best content most certainly do. Specifically, your content should be used to do three things: spark conversation, build community, and generate commerce.
