The term "intimate relationships" is used here to be maximally inclusive of any romantic and/or sexual relationship between two non-biologically-related people, including dating or courtship relationships, relationships in which the romantic partners live together in the same household (cohabiting), relationships in which two people have children in common but are no longer formally ...

Abuse in Intimate Relationships: Defining the Multiple - MUSC

There is a big difference between romance and intimacy. Romance may be spring from intimacy, but it does not create a truly intimate connection with someone. Romance is about gestures, compliments, gifts, and giving your partner butterflies. Intimacy is about the real, deep connection you create with your partner.

The Key Differences Between Romance and Intimacy ...

Self-disclosure is the idea that relationship formation is built on trust with another person, which is demonstrated by gradually revealing personal information, such as thoughts, feelings and experiences that they might share with anyone else. Disclosing thoughts and feelings and allowing a partner to reveal their 'true selves' leads to greater intimacy in romantic relationships, and ultimately to more satisfaction.
