User reviews: Boss DR-202 Dr. Groove -  
Audiofanzine

My buddy had a DR-202 but only used it for the presets, which is why I never looked into it more. I thought it was basically a preset machine with some real time digital modifiers. I only did some research after I saw the one listed on Craigslist. It's exactly what I was after: Programmable, completely functional, battery powered, full of character, and cheap as hell. I've been thinking about ...
