bookkeeping made simple **ebay.co.uk**

For every sale I make I print an Ebay invoice for myself and print a copy of the paypal transaction and staple these together. I then write the postage cost on top of the sheet when I post it. This makes it casier in case you ever get an inspection from HMRC as in my experience they like to have a paper trail to follow.

GoDaddy Online Bookkeeping (formerly Outright): Online Bookkeeping is probably the most popular and easiest to use of the eBay- and PayPal-integrated accounting platforms. The basic package is available for an inexpensive monthly fee and it's incredibly easy to use: just register, answer a few questions, and the program does the rest, integrating automatically with eBay, PayPal, and your bank accounts to track expenses, sales, profit, loss, your best customers, needed tax forms (and the data ...

Manage Your eBay Bookkeeping With Integrated Software

You record a name, then the total amount in the Amount column and then that amount again under one of the other column describing what the amount is for. For example: You sell something for \$100. On the Receipts spreadsheet - Enter the date, the name the amount and under the sales column enter \$100. Your done.
