Essentials of Corporate Finance

Book Details. The integrated solutions for Ross's Essentials of Corporate Finance have been specifically designed to help improve student performance, meaning that students are prepared for and engaged in class, and they can successfully solve problems and analyze the results. Ross Essentials' succinct coverage, managerial focus, and strong end-of-chapter content combine with a complete digital solution to help your students achieve higher outcomes in the course.

Provides students with an inexpensive note-taking system that contains a reduced copy of every slide in the PowerPoint presentation.

The integrated solutions for Ross's Essentials of Corporate Finance have been specifically designed to help improve student performance, meaning that students are prepared for and engaged in class, and they can successfully solve problems and analyse the results. McGraw-Hill's adaptive learning component, LearnSmart, provides assignable modules that help students master chapter core concepts and come to class more prepared. In addition, resources within Connect help students solve financial problems and apply what they've learned. Ross Essentials' succinct coverage, managerial focus, and strong

end-of-chapter content combine with a complete digital solution to help your students achieve higher outcomes in the course. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective.

The sixth edition of Fundamentals of Corporate Finance continues its tradition of excellence ensuring the focus remains on key principles. To accommodate courses which include coverage across a wider range of topics, the authors provide additional chapters about Leasing, Mergers and Acquisitions online. Fundamentals of Corporate Finance strives to present the material in a way that makes it coherent and easy to understand. Finance Prep Courses allow students to view a video to refresh topics, and then answer questions to test their understanding. This product gives lecturers more time in class to cover finance topics, and ensures that students do not get left behind. In addition to providing students with relevant, realistic problem-solving tools, Fundamentals of Corporate Finance has the benefit of the most current and relevant research in finance.

The integrated solutions for Ross's Essentials of Corporate Finance have been specifically designed to help improve student performance, meaning that students are prepared for and engaged in class, and they can successfully solve problems and analyze the results. McGraw-Hill's adaptive learning component, LearnSmart, provides assignable modules that help students master chapter core concepts and come to class more prepared. In addition, resources within Connect help students solve financial problems and apply what they've learned. Ross Essentials' succinct coverage, managerial focus, and strong end-of-chapter content combine with a complete digital solution to help your students achieve higher outcomes in the course.

Essentials of Corporate Finance 4e provides students with a succinct introduction to the principles and practice of corporate and business finance. This market-leading text, adapted by Rowan Trayler and Gerhard Van de Venter, retains the accessible and popular Ross style by focusing on key concepts and a range of local and global case studies. The new edition features enhanced content coverage in areas such as company valuation using the Weighted Average Cost of Capital (WACC) and crowdfunding. The comprehensive end-of-chapter content and extensive digital resources help students solve financial problem and apply their learning in real-world scenarios. In addition, the integrated solutions to questions have been designed to help improve students' analytical and problem-solving skills. Accessible, engaging and concise, this is the essential resource for finance majors and non-majors alike.

Essentials of Corporate Finance offers a focused choice for instructors teaching the fundamentals of value creation by offering a balance of intuitive conceptual understanding, problem solving and analysis, and decision making skills. Students who understand the intuition underlying the basic concepts of finance are better able to develop the critical judgments necessary to apply financial tools in real decision-making situations. Authors Bob Parrino, Tom Bates, and David Kidwell present a concise treatment of foundational topics while maintaining the same effective Learning by Doing pedagogy found in the successful Fundamentals edition. With WileyPLUS, students come to class prepared after working through Orion's adaptive learning module, develop problem solving skills with instant feedback on their work, and are guided through examples with Animated Learning by Doing.
