Fallen Angels by Walter Dean Myers is a young adult novel about seventeen-year-old Richie Perry, a Harlem teenager who volunteers for the Army when unable to afford college and is sent to fight in the Vietnam War. Perry and his platoon-Peewee, Lobel, Johnson, and Brunner-come face-to-face with the Vietcong, the harsh realities of war, and some dark truths about themselves. A thoughtful young man with a gift for writing and love of basketball, Perry learns to navigate among fellow soldiers under tremendous stress and struggles with his own fear as he sees things he'll never forget: the filling of body bags, the deaths of civilians and soldier friends, the effects of claymore mines, the fires of Napalm, and jungle diseases like Nam Rot. Available as an e-book for the first time on the 25th anniversary of its publication, Fallen Angels has been called one of the best Vietnam War books ever and one of the great coming-of-age Vietnam War stories. Filled with unforgettable characters, not least Peewee Gates of Chicago who copes with war by relying on wisecracks and dark humor, Fallen Angels "reaches deep into the minds of soldiers" and makes "readers feel they are there, deep in the heart of war." Fallen Angels has won numerous awards and honors, including the Coretta Scott King Award, an ALA Best Book for Young Adults, a Booklist Editors Choice, and a School Library Journal Best Book. Fallen Angels was #16 on the American Library Association's list of the most frequently challenged books of 1990-2000 for its realistic depiction of war and those who fight in wars.

Out of the wickedly inventive imagination of #1 New York Times bestselling author J.R. Ward comes a world where sin and salvation collide in a battle for the future of mankind-where a cynical fallen angel struggles against the seven deadly sins and a demon’s lure over seven chosen souls... Mels Carmichael, reporter for the Caldwell Courier Journal, gets the shock of her life when a man stumbles in front of her car outside the local cemetery. After the accident, his amnesia is just the kind of mystery she likes to solve, but she soon discovers they’re in over their heads with his past. Over their heads with passion, too. As shadows walk the line between reality and another realm, and her lover’s memory begins to come back, the two of them learn that nothing is truly dead and buried. Especially when you’re trapped in a no holds barred war between angels and demons. With a soul on the line, and Mels’s heart at risk, what in Heaven-or in Hell-will it take to save them both?

Reluctant savior Jim Heron risks his salvation while confronting the greatest challenge of his existence, as he tries to save Sissy, the woman he freed from Hell.

As mysterious murders threaten the new peace between Shadowhunters and Downworlders, only Simon, the Daylighter vampire, can help bring both groups together.

#1 New York Times bestselling author J. R. Ward explores what really happens when good and evil toy with humanity in her new novel of the Fallen Angels.... When Cait Douglass resolves to get over her broken heart and lose her inhibitions, she's unprepared for the two sensual men who cross her path. Torn between them, she doesn't know which to choose-or what kind of dire consequences could follow. Jim Heron, fallen angel and reluctant savior, is ahead in the war, but he puts everything at risk when he seeks to make a deal with the devil-literally. As yet another soul is unwittingly caught in the battle between him and the demon Devina, his fixation on an innocent trapped in Hell threatens to sidetrack him from his sacred duty.... Can good still prevail if true love makes a savior weak? And will a woman's future be the key, or the curse, for all of humanity? Only time, and hearts, will tell.

"Did rebel angels take on human bodies to fulfill their lust for the "daughters of men"? Did these fallen angels teach men to build weapons of war? That is the premise of the Book of Enoch, a text cherished by the Essenes, early Jews, and Christians but later condemned by both rabbis and Church Fathers. Elizabeth Clare Prophet examines the controversy surrounding this book and sheds new light on Enoch's forbidden mysteries. She demonstrates that Jesus and the apostles studied the Book of Enoch and tells why Church Fathers suppressed its teaching that angels could incarnate in human bodies. Fallen Angels and the Origins of Evil takes you back to the primordial drama of Good and Evil, when the first hint of corruption entered a pristine world-earth. Contains Richard Laurence's translation of the Book of Enoch, all the other Enoch texts (including the Book of the Secrets of Enoch) and biblical parallels.*

An investigation of the evidence in Talmudic, gnostic, apocalyptic, partristic, and legendary texts concerning immortal, winged beings.

"Who are the fallen angels? Elizabeth Clare Prophet tears the mask from the ancient deceivers of mankind, exposing their profile of evil and tracing it back to the fall of heavenly angels into human bodies. This important book shares what early texts had to say about the existence of fallen angels and takes us behind the world of appearances to explore a perspective that is shocking yet profoundly hopeful. You will learn about the strategies and tactics of the fallen angels and how they amass power and control as well as the unparalleled opportunities we have today to create great transformation in times of intense challenge and change."
