Practice makes perfect; slow and steady wins the race. The "comfortable starting point" is a mildly euphemistic way of saying a low, low, low starting point. At first glance, many parents would be shocked at how low it is, viewing it as an insult to their child's intelligence. But there are good reasons for it.

Kumon, a look at the pluses and minuses.

If you register for a Kumon program, your child will need to work this program in addition to his or her regular school assignments after school. The curriculum consists of hundreds of short assignments (worksheets) completed in sequential order. Every assignment is timed and graded.
