The only trick is it is not readily available and so I was really pleased to find this second hand ex library copy. It was just like the library book we borrowed.

It tells the story of how Little (who was suppose to be fast asleep), heard all the things that Big wanted to say in the day but for whatever reason did not get around to until Little was in bed asleep.

A classic lullaby gets a playfully spooky spin in this monstrously sweet picture book. Hush, Little Monster, don't you howl. Daddy's gonna give you a...screeching owl. If that owl won't say "whooh whooh"... Granny Ghost will bring you a big, bad boo! A monster father softly sings his own version of a favorite lullaby to his son. A screeching owl, a vampire, an ogre, and zombies are just a few of the creatures who will come to soothe Little Monster through the night, until (when the sun comes up) it's finally time for him to go to sleep. Parents and children alike will love this humorous twist on "Hush, Little Baby."

This riotous, honest, and affectionate story will strike a wildly familiar chord with siblings of all ages!
