~~IEC 60617~~ Graphical Symbols for Diagrams

IEC 60617 contains graphical symbols for use in electrotechnical diagrams. All the parts (Ed. 2 or 3) of the previously published IEC 60617 have been incorporated into this database that currently includes some 1900 symbols. The database is the official source of IEC 60617. Each graphical symbol is identified by a reference number and contains a title (in English and French), a graphical representation in GIF and some additional data as applicable.
