Insight Report The Global Competitiveness Report 2012 2013

Sweden. ² The Global Competitiveness Report 2014–2015 – Sweden. The Global Competitiveness Report 2014–2015 is being launched at a time when the global economy seems to be finally leaving behind the worst and longest-lasting financial and economic crisis of the last 80 years. However, this resurgence is moving at a less decisive pace than it has after previous downturns, and heightened risks looming on the horizon could derail the global recovery.

Insight Report The Global Competitiveness Report 2014-2015

The 2019 Competitiveness Report contains comprehensive insight and understanding of the performance of ten countries in detail and over time. This year they comprise the European countries of France, Germany, the UK, Italy, the Netherlands, Poland, Spain and, Belgium as well as the strategically significant economies of Russia and India.

(The 2019 Eight International Competitiveness Report) Put more succinctly, a country's competitiveness is not only a matter of low wages and regulation which affects the business community alone. It was with this perspective, that Eight International published a detailed analysis of global competitiveness looking at the world's 25 largest economies in a more comprehensive manner.
