This user friendly dictionary includes over 3,000 clear concise definitions including: Jamaican Patwa, Rasta Iyoric, Slang terms, and National heroes. Also included: Pronunciation Guide, Variants, Usage Notes, Parts of Speech, Cross References, Idioms, and a special section about Jamaica. This is the first ever Jamic Language Dictionary. Specifically designed for Jamaicans and those who want to learn the language.

Tending to her sick grandmother while trapped under the weighty debts of her deceased father, Kyra Symington works endlessly at a real-estate company during the day and a restaurant at night. One day James Redman, a talented young colleague at her company, chooses her as his project assistant. It's a once-in-a-lifetime opportunity, but without much flexibility in her work hours, Kyra is forced to make the heartbreaking decision to decline the offer. James, however, won't give up that easily—he's determined to have her on his team. And with him gazing into her eyes, his handsome face so close to hers, Kyra can't control her thumping heart!

Presents an account of the final six months of World War II through the beginning of the Cold War, analyzing the events and legacy of the 1945 Yalta meeting by Roosevelt, Churchill, and Stalin as well as the geopolitical ramifications of the atomic bomb and the fall of the Iron Curtain.

The Chainsaw Operator's Manual is an essential safety tool for chainsaw operators. It is the ultimate guide to basic chainsaw operating techniques covering safety, maintenance and cross-cutting, but not tree felling. Detailed diagrams illustrate horizontal, vertical and boring cuts, as well as trimming and cross-cutting techniques. Safety considerations are discussed, including workplace safety, occupational hazards, kick-back and identifying dangerous trees. An explanation of the 'tension' and 'compression' forces in timber is also provided to help you understand where to begin cutting to avoid jamming the saw. The book covers chainsaw maintenance in detail, explains all aspects of the equipment and helps you select the right chainsaw and personal protection equipment for your needs. Trouble-shooting charts are included to help you solve operating problems. This manual has been updated to take into account the most recent changes in nationally accredited competency standards. It is a must-have for anyone operating a chainsaw.

Allied with Cronus, the embodiment of all evil, Medea has raised an army of the undead to invade her family's kingdom. Now in paperback, the thrilling conclusion to the acclaimed ICEMARK trilogy! Oskan and Thirrin thought their bad-seed daughter was gone for good -- burnt to a cinder and cast out onto the Spirit Plain. But banishment did not kill Medea: It made her stronger. Now, allied with Cronus, embodiment of all evil, the young sorceress is plotting revenge. Queen Thirrin is distracted by a new invader whose troops ride huge triceratops-like beasts into battle. But the warlock Oskan realizes the true threat to the kingdom is the demon army assembled by his daughter. To ensure the Icemark's eternal safety, he knows he must destroy her soul—even at the risk of his own.

With compelling clarity, this inviting and informed journey through the Bible offers hope for eternity. Drawing on the author's passion for the scriptures, his years in an Islamic nation, and thousands of conversations with Muslim friends, this journey offers insight into life's big picture and clarifies some of the primary differences between a biblical and an Islamic worldview. The guide's endnotes section clarifies terminology used throughout the text and furnishes background information on customs of the era. A chapter-by-chapter discussion guide provides 150 questions for further examination as well as an assortment of Bible verses to spur self-reflection. DOWN-TO-EARTH MIX OF APOLOGETICS & STORYTELLING FROM THE WORLD'S BEST SELLER. Interspersed with contrastive e-mails from Muslims around the world, this captivating journey through the Bible permits truth seekers to overcome countless obstacles and encounter the one true God and His amazing plan. Third edition (November 2008) includes a thought-provoking Discussion Guide. Here is how one American reader described his experience: ONE GOD ONE MESSAGE answers tough questions. In some mysterious way, I had a sense of drawing closer to the Lord as I read. There have been a few books I have read in which I had this sense. The pages convey the true and deeper heart of God. This was not just a book about facts. I have read many of those. This book reaches to the deeper part of our souls for God to touch. DISCOVER THE MYSTERY. TAKE THE JOURNEY.

Allied with Cronus, the embodiment of all evil, Medea has raised an army of the undead to invade her family's kingdom. Now in paperback, the thrilling conclusion to the acclaimed ICEMARK trilogy! Oskan and Thirrin thought their bad-seed daughter was gone for good -- burnt to a cinder and cast out onto the Spirit Plain. But banishment did not kill Medea: It made her stronger. Now, allied with Cronus, embodiment of all evil, the young sorceress is plotting revenge. Queen Thirrin is distracted by a new invader whose troops ride huge triceratops-like beasts into battle. But the warlock Oskan realizes the true threat to the kingdom is the demon army assembled by his daughter. To ensure the Icemark's eternal safety, he knows he must destroy her soul—even at the risk of his own.

To save the future of their homeland, a young herald and petty thief must face off against a boy consumed by dark magic Illmoor's capital has a problem: rats. And lots of them. Desperate for a solution, the chairman of the Dullitch Council seeks the help of Illmoor's roving mercenaries, hoping to find someone who can tame the ever-swelling tide of rodents. Jimmy Quickstint, the chairman's grandson and junior thief in training, returns to Dullitch with the hulking Groan Teethgrit and his angry dwarf sidekick, Gordo Goldeaxe. Together, they are Dullitch's best hope to eradicate the rats—until Diek Wustapha arrives. Diek, still just a boy, has been possessed by a magical power that gives him the uncanny ability to control not just animals, but also people. He gets rid of the rats in town, but the relief in Dullitch is short lived. The city refuses to pay Diek, and he does not take the insult lightly. He is determined to strike back at Dullitch by kidnapping all of the capital city's children. That is, unless Jimmy Quickstint and his two new friends can find a way to stop him.

Organic flexible electronics represent a highly promising technology that will provide increased functionality and the potential to meet future challenges of scalability, flexibility, low power consumption, light weight, and reduced cost. They will find new applications because they can be used with curved surfaces and incorporated in to a number of products that could not support traditional electronics. The book covers device physics, processing and manufacturing technologies, circuits and packaging, metrology and diagnostic tools,

architectures, and systems engineering. Part one covers the production, properties and characterisation of flexible organic materials and part two looks at applications for flexible organic devices. Reviews the properties and production of various flexible organic materials. Describes the integration technologies of flexible organic electronics and their manufacturing methods. Looks at the application of flexible organic materials in smart integrated systems and circuits, chemical sensors, microfluidic devices, organic non-volatile memory devices, and printed batteries and other power storage devices.
