New York Times bestselling poet and multi-platinum singer-songwriter Jewel explores her unconventional upbringing and extraordinary life in an inspirational memoir that covers her childhood to fame, marriage, and motherhood. groundbreaking. Drawing comparisons to Joan Baez and Joni Mitchell, a singer-songwriter of her kind had not emerged in decades. Now, with more than thirty million albums sold worldwide, Jewel tells the story of her life, and the lessons learned from her experience and her music. Living on a homestead in Alaska, Jewel learned to yodel at age five, and joined her parents' entertainment act, working in hotels, honky-tonks, and biker bars. Behind a strong-willed family life with an emphasis on music and artistic talent, however, there was also instability, abuse, and trauma. At age fifteen, she moved out and tasked herself with a mission: to see if she could avoid being the kind of statistic that her past indicated for her future. Soon after, she was accepted to the prestigious Interlochen Arts Academy in Michigan, and there she began writing her own songs as a means of expressing herself and documenting her journey to find happiness. Jewel was eighteen and homeless in San Diego when a radio DJ aired a bootleg version of one of her songs and it was requested into the top-ten countdown, something unheard-of for an unsigned artist. By the time she was twenty-one, her debut had gone multiplatinum. There is much more to Jewel's story, though, one complicated by family legacies, by crippling fear and insecurity, and by the extraordinary circumstances in which she managed to flourish and find happiness despite these obstacles. Along her road of self-discovery, learning to redirect her fate, Jewel has become an iconic singer and songwriter. In *Never Broken* she reflects on how she survived, and how writing songs, poetry, and prose has saved her life many times over. She writes lyrically about the natural wonders of Alaska, about pain and loss, about the healing power of motherhood, and about discovering her own identity years after the entire world had discovered the beauty of her songs.

Communion-cating: When God communes and communicates with the listener at the same time. My experience is that God is love, and that love is washing over us in waves from an ocean of thought, feeling, and emotion all the time, in all ways. We are only just now in the process of waking up to this reality and realizing who we really are in relation to God and the universe. Book jacket.

David Kopp, coauthor, with Heather Harpham-Kopp, Praying the Bible for Your Marriage Story Behind the Book "The concept for this book was born at five o'clock in the morning as I was working out," says Connie. "To keep myself awake, I thought about what Nancy and I should write to follow The Politically Incorrect Wife . 'What's a topic that almost every married woman in America is interested in?' I asked myself. Almost instantly, the answer came: How to get your husband to talk to you. Thus began a lot of reading, researching, surveying, and practicing.
