where Jesus is already at work in your neighborhoods, workplaces and schools. You will feel both relief and hope. You may even hear yourself say, "I can do this " as you start responding to the everyday opportunities Jesus is placing in your path.

If you had a ladder made of splinters, would you stand on it? Unfortunately, the mission practices of most churches stand on weak foundations. *Life on Mission* gives gospel-centered, biblical, practical foundations for how missions was meant to be: an everyone-together effort. *Life on Mission* is a thorough yet simple guide for everyday missionaries—electricians, lawyers, church planters, students, etc.—that equips them with truths and practices for living out the gospel within their own community. Adaptable to any context, *Life on Mission* functions great as both an individual and small-group study. Threaded with engaging stories and probing reflection questions, *Life on Mission* will help you and your community take bold steps to living life on mission.

2014 Outreach Magazine Resource of the Year (Church Health) Sometimes we get so caught up in the power of Jesus shouting from the cross, "It is finished!" that we forget that Jesus started something. What Jesus started was a movement that began small, with intimate conversations designed to build disciples into apostles who would go out in the world and seed it with God's kingdom vision. That movement grew rapidly and spread wide as people recognized the truth in it and gave their lives to the power of it. That movement is still happening today, and we are called to play our part in it.

One tiny little sentence can change your life. Ready for it? "God is here." It may sound obvious at first, but truly understanding these three words is the key to more happiness, less boredom, more rest, less rush, more love, less drama, more peace, less fear. A deeply satisfying life doesn't require a sabbatical, a mission trip, or a New Year's resolution. As long as God is glorious enough and near enough, you can enjoy the life that is truly life--not just the cheap substitutes we've settled for. This book will help you move from just enjoying the good moments in life to worshiping the God who is right here, right now. This movement will exponentially increase your happiness, peace, and contentment. It will allow you to shake off the guilt and shame of sin and see yourself as God sees you. Learn how to recognize God's impact on your life and find the joy he's been waiting to give you.

If Jesus wrote a book about leadership today, he would tell a story. That's what the author decided when he tore up his first draft. Instead, he wrote a parable about four twenty-somethings who are having major problems with bad bosses. Jack Hendrickson, a retired Army Special Forces Sergeant and former missionary, begins to teach them Biblical principles about leadership and when they put it into practice at work, it makes their lives worse! Experienced leaders are calling *I've Got Your Back* a landmark book to help next generation leaders with a Biblical foundation for leadership. Many talented young people have been victims of follower abuse. They don't want anything to do with leadership positions. Some have issues with authority and need guidance to heal. Galvin writes about a new kind of leader the world is desperate to follow. At the end of the parable, the author outlines Biblical principles of followership, as well as leadership, because everybody needs to learn how to lead and follow well.

Having lost her magical powers of chantment, eighteen-year-old Calwyn searches for the missing half of the broken Wheel of the Tenth Power with the hope of stopping the plague and endless winter that have fallen on her world.

How to make disciples using hospitality Deep down, every Christian wants to make a difference. But for many of us, the years come and go and we never do. The good news is: change can be as simple as opening your front door. *The Simplest Way to Change the World* is about biblical hospitality and its power for the gospel. Since people will sooner enter a living room than a church, hospitality is a natural and effective way to build relationships for Christ. You'll learn: How the home can be a hub for community How hospitality leads to joy, purpose, and belonging How it grows families to love the things of God How it's not about being the perfect host How to be hospitable regardless of your living space Hospitality is a beautiful legacy of the church, and a great way to make disciples. As you open your life up to others, you share in the very character of God and experience His joy. And you get to witness lives change—including your own. Includes 20+ creative ideas for hospitality, plus questions for small groups

Reggie McNeal's bestseller *The Present Future* is the definitive work on the "missional movement," i.e., the widespread movement among Protestant churches to be less inwardly focused and more oriented toward the culture and community around them. In that book he asked the tough questions that churches needed to entertain to begin to think about who they are and what they are doing; in *Missional Renaissance*, he shows them the three significant shifts in their thinking and behavior that they need to make that will allow leaders to chart a course toward being missional: (1) from an internal to an external focus, ending the church as exclusive social club model; (2) from running programs and ministries to developing people as its core activity; and (3) from professional leadership to leadership that is shared by everyone in the community. With in-depth discussions of the "what" and the "how" of transitioning to being a missional church, readers will be equipped to move into what McNeal sees as the most viable future for Christianity. For all those thousands of churches who are asking about what to do next after reading *The Present Future*, *Missional Renaissance* will provide the answer.

More time, spent with fewer people, equals greater kingdom impact. Desiring to see God widely embraced as more than a remote concept, entrepreneur Regi Campbell began a deeply successful mentoring program years ago that has become one of his greatest joys. Though it seemed radical at first—spending more time with less people to further an all important message—he soon realized this is the discipleship model Jesus set out during his ministry; today two billion people worldwide embrace the wisdom He entrusted to a small band of disciples two thousand years ago. *Mentor Like Jesus* is Campbell's revelation of what he now calls "next generation mentoring," an exponentially rewarding process that is resulting in "lives changed, marriages saved, children dealt with in a more loving way." Readers of any age and in any situation will clearly understand how the return on a meaningful investment in another person is truly immeasurable.

The Mind of a Missionary is your ammunition in the war against inaction. It is gasoline to set ablaze your missional zeal. Do you need an effective weapon to
