What do you say when you pray? It is a question that I have been asked over and over again during the past 14 years that I have pursued the calling to study and teach prayer. The question does not solely come from beginning pray-ers, but from Christians in all stages of their prayer lives and walks with the Lord. The purpose of this book is to answer the question; to take the mystery out of prayer; and to empower pray-ers with the information they need to pray effectively. By the end of this book, readers will understand why we are called to pray and will have the tools to more than adequately answer the call. Ultimately, they will know how to pray prayers that produce God's plans for themselves, their businesses, their community, and their world.

The Christian radio commentator shares her insights into achieving a balanced, healthy lifestyle, sharing her inspirational, practical wisdom on how to facilitate change in one's life. Reprint.

Tirabassi speaks of the things that drive and control one's life, how to overcome the obsessive passions that distract one from God, and how to replace them with holy obsession.
