Long Shot: A HOOPS Novel (Hoops #1) by Kennedy Ryan. First and foremost, I really want to emphasize that this is a book about abuse and what it is like to be in a very dangerous and abusive relationship. MAJOR trigger and content warnings for a lot of graphic rape, stalking, being trapped, and a lot of very graphic physical, emotional, and mental abuse.

Even though Long Shot is sports story and set in the NBA, it is relevant to too many individuals out there who are facing the same hell Iris had to face on a daily basis. I take my hat off to Kennedy Ryan for tackling this sensitive subject in her book, and for giving us a brief perspective of what life is like for the victims of domestic abuse.
