From the esteemed author of the international bestseller *How to Win Friends and Influence People* comes a book to help you become the great communicator that you've always wanted to be! We all know a great public speaker when we see one. He or she seems to possess qualities—confidence, charisma, eloquence, learning—that the rest of us lack. But the ability to speak well in front of others is a skill, not a gift. That means anyone can learn how to do it with the right guidance. *Stand and Deliver* gives you everything you need to know to become a poised, polished, and masterful communicator. It reveals the techniques that have worked for countless great speakers throughout history. In this book you will learn how to prepare properly for a presentation, develop and project your own unique style, overcome stage fright, and win any audience in one minute. Packed with tips, strategies, and real-life examples, including case studies of some of the world's great orators, *Stand and Deliver* is the definitive guidebook for public speaking. The essential techniques that you learn from this book will benefit you for years to come.

A hilarious, quirky picture book about the power of imagination and learning to enjoy your own company, for fans of Carson Ellis and Jon Klassen. Caterpillar is SO bored. But everyone knows the best cure for boredom: a marvelous, super-long, super-fun, unforgettable party! He already has everything he needs: apple juice, confetti, decorations, party hats and star stickers to stick on your face. Everything is perfect, except for one missing ingredient: FRIENDS. Unfortunately, none of Caterpillar's friends are available. Caterpillar is SO sad. But then he comes up with an ingenious solution: using a marker, he creates six new friends . . . on himself! After introducing themselves and shaking each others' hands (or feet), it's time for the party to begin. They dance, they play, they put on costumes and even eat seven feet of pizza. It's a marvelous time! But what happens when the party is over? Will Caterpillar's new friends leave him? Find out in this delightfully quirky picture book.

In a world quickly becoming more virtual, human relations skills are being lost -- along with the skill of leadership. There is

Every vacuum of leadership in many of our major institutions: government, education, business, religion, the arts. This crisis has arisen in part because many of those institutions have been reinvented with the technological revolution we are experiencing. Scientific progress in general, and technological progress in particular, has been seen as a solution to many of our problems, and technology can distribute the answers to those problems far more quickly and efficiently across the globe. But in the midst of this technological boom, people are becoming isolated from each other. What's needed is a new type of leader -- one who can inspire and motivate others in the new virtual world while never losing sight of the timeless leadership principles. In this book, readers can learn all the secrets of leadership mastery:

- * Gain the respect and admiration of others using little-known secrets of the most successful leaders.
- * Get family, friends, and co-workers to do what you ask because they want to do it, not because they have to.
- * Respond effectively when under crisis using proven techniques for thinking clearly and reducing anxiety under pressure.

A valuable tool that stands next to the classic *How to Win Friends and Influence People*, *Leadership Mastery* offers a proven formula for success.
