Subconscious minds so that they can radically improve their lives. In this book, Dr. Murphy explains: How to use the power of your subconscious mind to overcome negativity and low self-esteem. You are the master of your life and the ruler of your mind, so if you're feeling tense or depressed and worry that no one appreciates you and people look down on you, it's your fault. . You alone - not others - are responsible for your reactions, thoughts, feelings, and emotions. . You don't have to let anyone have power over you. Following the guidance provided in these pages, you'll discover how to love yourself and open your soul to freedom from domination; peace of mind; and a joyful, rewarding life.

believe our abilities are finite. But what if our supposed limitations are just an illusion? In THE POWER OF YOUR POTENTIAL John Maxwell identifies and examines the seventeen key capacities each of us possesses. Some we are born with, such as how we think or how we naturally relate to other people. The rest are choices, often unconscious, including our attitude or personal disciplines. All are expandable. Maxwell gives clear and actionable advice on what we can do to improve in each of these areas. From learning to manage your emotions and increase your energy, to conquering procrastination and becoming more comfortable with taking risks, you will surpass your own expectations to become a better you than you ever thought possible.
