Re: New Holland 467 Haybine -- Questions Galore please help! in reply to SunnyKay, 05-09-2009 09:12:37 Didn't use a 467 but had a 469. Pulled it with a 35 hp tractor, no problems. 467 is a foot shorter so the 2010 (which has 45hp, BTW) should pull it ok.

For the aficionado of farm equipment, or the scion of an old farming family nostalgic for the old days, or the grown-up boy who still loves a classic piece of old-time machinery, the vintage tractor can be a thrilling find like no other. This book tells dozens of stories of such discoveries, of the treasured old tractor parked in a shed since 1927, of the pristine model unearthed at an estate sale, of the broken-down old beauty stashed in a barn where generations of children have made their secret hideaways. These are the classic tractors that are often as hard to find as a needle in a haystack—but far more fun to discover, as all of these delightful stories make abundantly clear.

Relates the history of the tractor and shows the changes in design that have resulted in the diesel-powered giants of today.

“ Jerry Nelson ’ s column comes from the true heart of the Midwest. He has the true voice, the slow twang. He knows wheat from barley. He knows hardware, he knows vegetation, he knows people. ” —Garrison Keillor In the tradition of Mark Twain and Jean Shepherd, Dave Barry and Garrison Keillor, Jerry Nelson is a humorist whose beat is the American heartland, a small-town world of pickup trucks and Sunday night pancake dinners, dropping in on neighbors and complaining about the county agent. His depictions of daily life, from the point of view of an ex-dairy farmer and taciturn husband with a twinkle in his eye, are read by 250,000 people a week—and occasionally woven into Prairie Home Companion scripts. These are stories of courtship; childbirth—he offers the delivery room doctor the use of his calf puller; family; neighbors; chores; and the duties of a father—why is it that a man who spends his days in cow manure can ’ t change a baby ’ s diaper? Knee-slappingly funny one moment, poignant the next, it ’ s a very special look at a distinctly American way of life.

Collier will show you how the way you think and the decisions you make have a direct influence on how successful and happy you are. With out the foundation that Collier laid herein, Rhonda Byrnes' The Secret could never have been written. Long before Michael Losier and James Arthur Ray reminded the world just how effective the power of positive thinking could be in Laws of Attraction and The Science of Success, there was Robert Collier's The Book of Life.
