Euphoria In 2009, eighty-five-year-old art professor Ludka Zeilonka gets drawn into a political firestorm when her grandson, Tommy, is among a group of gay Massachusetts teachers fired for allegedly discriminating against Christian kids in high school classrooms. The ensuing battle to reinstate the teachers raises the specter of Ludka's World War II past—a past she's spent a lifetime trying to forget. The firings are the brainchild of Warren Meck, a deeply religious local radio host and father of three who is hoping to pass a religious freedom bill in Massachusetts. Meck favors achieving his goals through careful planning and legislation, and is disturbed when violence erupts. His concern quickly turns to alarm when he realizes those within his inner circle might be inciting the violence.

As Ludka's esteemed political family defends Tommy under increasingly vicious conditions, a stranger with connections to Ludka's past shows up and threatens to expose her for illegally hoarding a valuable painting presumed stolen by the Nazis. Only one other person knew about the painting—a man she's been trying to find for sixty years. Compulsively readable, *This Is How It Begins* is a timely novel about free speech, religious freedom, the importance of empathy and the bitter consequences of long-buried secrets.

his taste for the unnatural is as widely known to his legions of fans as the notorious excesses of his youth. But nothing he possesses is as unlikely or as dreadful as his latest purchase, an item he discovered on the Internet: I will sell my stepfather's ghost to the highest bidder . . . For a thousand dollars, Jude has become the owner of a dead man's suit, said to be haunted by a restless spirit. But what UPS delivers to his door in a black heart-shaped box is no metaphorical ghost, no benign conversation piece.

Suddenly the suit's previous owner is everywhere: behind the bedroom door . . . seated in Jude's restored Mustang . . . staring out from his widescreen TV. Waiting—with a gleaming razor blade on a chain dangling from one hand . . .

From the award-winning, New York Times bestselling author of NOS4A2 and Heart-Shaped Box comes a chilling novel about a worldwide pandemic of spontaneous combustion that threatens to reduce civilization to ashes and a band of improbable heroes who battle to save it, led by one powerful and enigmatic man known as the Fireman. The fireman is coming. Stay cool. No one knows

exactly when it began or where it originated. A terrifying new plague is spreading like wildfire across the country, striking cities one by one: Boston, Detroit, Seattle. The doctors call it Draco Incendia Trychophyton. To everyone else it ' s Dragonscale, a highly contagious, deadly spore that marks its hosts with beautiful black and gold marks across their bodies—before causing them to burst into flames. Millions are infected; blazes erupt everywhere. There is no antidote. No one is safe. Harper Grayson, a compassionate, dedicated nurse as pragmatic as Mary Poppins, treated hundreds of infected patients before her hospital burned to the ground. Now she ' s discovered the telltale gold-flecked marks on her skin. When the outbreak first began, she and her husband, Jakob, had

made a pact: they would take matters into their own hands if they became infected. To Jakob ' s dismay, Harper wants to live—at least until the fetus she is carrying comes to term. At the hospital, she witnessed infected mothers give birth to healthy babies and believes hers will be fine too. . . if she can live long enough to deliver the child. Convinced that his do-gooding wife has made him sick, Jakob becomes unhinged, and eventually abandons her as their placid New England community collapses in terror. The chaos gives rise to ruthless Cremation Squads—armed, self-appointed posses roaming the streets and woods to exterminate those who they believe carry the spore. But Harper isn ' t as alone as she fears: a mysterious and compelling stranger she briefly met at

the hospital, a man in a dirty yellow fire fighter ' s jacket, carrying a hooked iron bar, straddles the abyss between insanity and death. Known as The Fireman, he strolls the ruins of New Hampshire, a madman afflicted with Dragonscale who has learned to control the fire within himself, using it as a shield to protect the hunted . . . and as a weapon to avenge the wronged. In the desperate season to come, as the world burns out of control, Harper must learn the Fireman ' s secrets before her life—and that of her unborn child—goes up in smoke.
