Kids have to open the flaps to see what animal is hiding. The "story" is tedious for adults, but the baby loves this book. We've read it approximately a billion times. Baby (1 year old) understood the flap concept quickly. She's grabs the flaps as fast as I can turn the pages.

From the Inside Flap Illustrated in full color. Open the barn door and take a tour around the barnyard to find out just who's making all those wonderful animal sounds. From the Back Cover

~~Amazon.com: Open the Barn Door (A Chunky Book)~~

I purchased Open the Barn Door for my daughter's first birthday. She is now approaching her second birthday and this book is still very much a favourite. The book is smaller than I was expecting (dimensions, as per Amazon are 9.9cm x 9.9cm), but this actually turned out to be a plus point as it's great for throwing in the changing bag when we go out, or acting as a distraction in the car.

Open the Barn door is a great book for sharing with little readers to get them interested in reading. The small size, great graphics and simple content are just perfect as far as I am concerned. The interactive flaps to open on each page give little readers a chance to participate even though they can't read yet.
