Options on Futures: New Trading Strategies, Workbook: Step-by-Step Exercises and Tests to Help You Master Options on Futures by John F. Summa, Jonathan W. Lubow Ordinary People, Extraordinary Profits: How to Make a Living as an Independent Stock, Options, and Futures Trader

Increased marketplace volatility and the expanding size of capital markets have led to an explosion of interest in options on futures. What makes these instruments so attractive is that they allow traders to profit from movements in the markets using little up-front capital and plenty of leverage. At the same time, they provide an excellent hedge against the risks associated with capital market investments. This book demystifies these notoriously difficult-to-understand instruments and provides state-of-the-art strategies and tools for making the most of options on futures. John F. Summa (New Haven, CT) is a CTA and cofounder of OptionsNerd.com, an online service providing market commentary, trading advisories, and assistance with trading system development. Jonathan Lubow (Randolph, NJ) is cofounder and Vice President of Trader's Edge, a futures and options brokerage.

A comprehensive study companion to The Options Course, SecondEdition In The Options Course Workbook, Second Edition, George Fontanillsoffers a wealth of practical exercises that will help further thereaders' understanding of options, as well as test and apply whatthey've learned before they take their first step into the realmarkets-where time and money are luxuries they cannot afford tolose. This hands-on companion to The Options Course, Second Editionincludes a complete answer key and covers a wide range of optionissues. George A. Fontanills (Miami, FL) is the President Emeritus ofOptionetics, the world leader in Options Education, with officesaround the world specializing in teaching high-profit, low-risk,low-stress option trading strategies (www.optionetics.com.) Georgeso runs a hedge fund and money management company. He has writtensmany books, including Trade Options Online (0-471-35938-6), TheVolatility Course (0-471-39816-0), The Volatility Course Workbook(0-471-39817-9), and The Stock Market Course (0-471-39315-0)

A complete guide to day trading stocks, options, or futures, plus companion workbook This valuable guide is a complete day trading course (with a companion workbook) that walks novice traders through all the day trading opportunities. The Day Trader's Course is packed with basic technical skill, proven winning strategies, and essential background. Lewis Borsellino reveals when to buy and when to sell, and shows readers how to identify when "it's over" for a particular stock, option, or future. Drawing from his considerable experience, he identifies the rules that every trader should follow.

Important lessons and key investment strategies for trading stocks, options, and futures Sniper Trading helps readers fine-tune their trading to the point where they know exactly where the market will go and when it will get there. With thirty years of experience, George Angell shows readers how to trade successfully on a consistent and informed basis. Sniper Trading is a complete guide to trading everything from stocks and options to futures. Readers will discover how to price trading, identify buy and sell zones, place spread or seasonal trades, and, most importantly, how to win at trading by overcoming common pitfalls and mastering common learning curves. Angell offers the individual trader the inside track on his most successful investment strategies, so they can profit like the professionals.

Focusing on price-forecasting in the commodity futures market, this is the most comprehensive examination of fundamental and technical analysis available. This guide treats both approaches in depth, with forecasting examined in conjunction with practical trading considerations including spread trading, option trading, and more. Schwager is the starting point for any serious reading on futures and options trading. Well-written and clear, and truly encyclopedic in scope: every conceivable options trade, with all permutations thereof, is discussed and dissected, even inadvisable ones.

Derivatives are everywhere in the modern world and it is important for everyone in banking, investment and finance to have a good understanding of the subject. Derivatives Demystified provides a step-by-step guide to the subject, enabling the reader to have a solid, working understanding of key derivative products. Adopting a highly accessible approach, the author explains derivative products in straightforward terms and without the complex mathematics that underlie the subject, focusing on practical applications, case studies and examples of how the products are used to solve real-world problems. Derivatives Demystified follows a sequence that is designed to show that, although there are many applications of derivatives, there are only a small number of basic building blocks, namely forwards and futures, swaps and options. The book shows how each building block is applied to different markets and to the solution of various risk management and trading problems. This new edition will be fully revised to reflect the many changes the derivatives markets have seen over the last three years. New material will include a comprehensive history of derivatives, leading up to their use and abuse in the current credit crisis. It will also feature new chapters on regulation and control of derivatives, commodity derivatives, credit derivatives and structured products and new derivative markets including inflation linked and insurance linked products. Derivatives Demystified is essential reading for everyone who operates in the financial markets or within the corporate environment who requires a good understanding of these important financial instruments.

More fortunes are made and lost more quickly in the commodity futures markets than anywhere else. It is a game of consequence where profits won by one player are lost by another. The stakes are high, but for those who know how to play well, the rewards can be immense. Trading Commodities and Financial Futures shows you how to play the game to win. In this book, one of the world's most experienced traders introduces a new step-by-step methodology built on more than twenty-five years of success. George Kleinman begins with the basics—including a complete primer on how futures and options trading works, how traders' psychology impacts the markets, and how to avoid the pitfalls that trip up so many traders. This edition offers updated coverage of electronic trading, the latest contracts, and state-of-the-art trading techniques you won't find in any competing book. Previous editions of Kleinman's Commodity Futures and Options became international best sellers. This one offers even more insight for winning the commodities game—and winning big. Winning in a zero-sum game For every commodities winner, there's a loser: here's how to be the winner The trend is your friend How to use techniques designed to generate profits in a trending market The fundamentals: supply and demand in every key market Mastering the markets, from crude oil to soybeans, gold to coffee, foreign exchange to stock index futures TMVTT: The most valuable technical tool A unique trading methodology—how it works and how to use it When to get in, when to get out How to recognize the beginning—and end—of major market moves Twenty-five trading secrets of the pros A lifetime's experience, distilled into twenty-five crucial tips

Designed to help readers master the fundamentals of the commodities markets, commodities futures and options and essential dealing techniques. This title aims to also provide advice on trading strategies and the secrets of the professional and fundamental and technical analysis.

DO YOU WANT TO TAKE YOUR TRADING TO THE NEXT LEVEL? To earn a living as a trader, even part time, takes consistency. Most first-time investors find today's turbulent markets are anything but consistent. To keep from throwing your money away following obsolete trading strategies, you need a seasoned mentor like Sarah Potter to provide the latest insight, training, techniques, and action steps to become the trader you want to be. How You Can Trade Like a Pro holds the answer to fulfilling your dream of earning an income by trading. Written by an educator who now trades full time, this how-to book is unmatched in its clarity and to-the-point explanations. You will quickly develop a solid foundation of theory and professional techniques for trading multiple markets including options on stocks and ETFs as well as futures contracts. Unlike many nuts-and-bolts investing books, this holistic guide helps you through the technical and emotional process of trading, with Potter's real-life stories of transitioning to a full-time trader and her humorous "Trading Tips" comic strips. Best of all, you can start with a small amount of capital and be confident you will have the same advantages as the pros. How You Can Trade Like a Pro provides expert coverage on: Understanding the risks and rewards of the market Avoiding the emotional pitfalls of trading Creating your own trading plan and watch lists Also includes: A simple tracking system to optimize trading performance Proven trading strategies explained step-by-step A variety of expert tools for accurately identifying market trends If you want to be a trader or just want to take back control of your finances, this guide shows you how to empower yourself with the trading routine that best fits you. Not only will you avoid costly brokerage fees, but you will have the satisfaction of growing your wealth your own way. Take the first step today and learn How You Can Trade Like a Pro. TAKE CONTROL OF YOUR WEALTH How You Can Trade Like a Pro is the cornerstone guide to Sarah Potter's proven system for designing and implementing a professional-grade trading routine custom fit to your personality and goals. Whether you want to supplement your income or embark on a new career in trading, Potter has developed the ideal support structure to help everyone interested in growing capital transition into active traders focused on making a profit. PRAISE FOR HOW YOU CAN TRADE LIKE A PRO: "How You Can Trade Like a Pro is an excellent tool for anyone interested in learning how to trade. As experts in this industry, we know the greatest barrier to entry is the terminology. Sarah breaks down complicated topics into simple terms. This book will give new investors the confidence to trade on their own." -- Liz Dierking and Jenny Andrews, The LIZ & JNY Show "Sarah Potter [offers] a fresh voice with essential information for active traders. Her comprehensive, inviting book is an informative A-to-Z compendium to help new traders find their path to profitable trading. TraderPlanet members vote her stories as some of the most popular on our site. We are sure you will find her writing to be engaging as well." -- Lane J. Mendelsohn, Founder and President, TraderPlanet.com
