For introductory courses in Organizational Behaviour, Organizational Psychology, Industrial Psychology, and Human Relations in departments of management, public administration, psychology, social work, political science, and education. Organizational Behaviour, 6ce is the most student-engaging comprehensive book in the market. It makes OB relevant to students, no matter what their background, work experience or their career goals. MyOBLab is not included with the purchase of this product.

Delivering what we've come to expect from this author team, McShane/Von Glinow 6e helps everyone make sense of OB, and provides the conceptual tools to work more effectively in the workplace. In their new Sixth Edition, McShane and Von Glinow continue the trailblazing innovations that made previous editions of Organizational Behavior recognized and adopted by the new generation of organizational behavior (OB)

instructors. The McShane and Von Glinow text is acclaimed for: • Readability, presentation of current knowledge • Linking OB concepts and theories with reality • Strong International/Global orientation • Contemporary Theory Foundation (without the jargon) • Active Learning and Critical Thinking Support • Textbook's philosophy—OB knowledge is for everyone, not just traditional managers. Organizational Behavior, Sixth Edition is written in the context of these emerging workplace realities. This edition explains how emotions are the foundation of employee motivation, attitudes, and decisions; how social networks generate power and shape communication patterns; how self-concept influences individual behavior, team cohesion, and leadership; and how adopting a global mindset has become an important employee characteristic in this increasingly interconnected world. This book also presents the reality that organizational behavior is not just for managers; it is relevant and valuable to anyone who works in and around organizations.

The Seventh Edition of Canadian Organizational Behaviour is truly a "new and improved" McShane: new trim size, fresh new design, new co-author, reorganized table of contents, improved examples, and even enhanced readability. The McShane brand is known for its cutting edge research and scholarship, recognized for its "for Canadians, by Canadians" approach to content, and respected for its firm anchoring of Canadian material within a global context. No other OB book offers the kind of comprehensive coverage in such an accessible, readable format. Canadian Organizational Behaviour continues to lead the way as the most innovative OB text on the market. McShane was the first OB textbook to include topics such as workplace emotions, appreciative inquiry, social identity theory, future search events, virtual teams, workaholism, and emotional intelligence. The innovation continues in the seventh edition with new and expanded coverage of topics such as employee engagement, resilience, four-drive theory, blogs and wikis, psychological harassment, learning orientation, Schwartz's values model, and separating socioemotional from constructive conflict. The pedagogical features have been completely overhauled to speak to new and emerging topics in OB worldwide, including the opening vignettes, the photo essays in each chapter, and many of the end-of-chapter exercises and end-of-part cases.

In their substantially revised Third Edition, McShane and Von Glinow continue the trailblazing innovations that made previous editions of Organizational Behavior recognized and adopted by the new generation of organizational behavior (OB) instructors. Acclaimed for its readability and presentation of current knowledge, this textbook's philosophy is that OB knowledge is for everyone, not just traditional managers. The new reality is that everyone -- sales representatives, production employees, physicians -- needs OB knowledge to successfully work in and around organizations. Organizational

Behavior, 3rd Edition, is unparalleled in its ability to engage students by bringing cutting edge OB concepts closer to reality through the 'theory-practice link' approach. McShane and Von Glinow help readers connect OB theories to emerging workplace realities through hundreds of fascinating real-life stories from across the United States and around the world. McShane/Von Glinow's Organizational Behavior 3rd Edition also continues to be the source of the hottest topics, such as: workaholism, virtual teams, corporate social responsibility, Schwartz's values model, innate drives theory, workplace emotions, executive coaching, guanxi, appreciative inquiry, social identity theory, workplace bullying, workplace justice, and much, much, more.

Building on the success of the previous edition and the running theme that OB is forEveryone, this new edition presents all the essential topics in Organizational Behavior in a concise and readable format. Fundamentals of Organizational Behaviour, Fourth Canadian Edition, helps students make the connections between the subject, the world of research that supports OB, and students' everyday lives, both now and in their future careers.
