~~Wilde's short stories were written at a time when he had begun to moderate his literary ambitions with financial needs. He therefore started to work in a number of popularist sub-genres - detective fiction, ghost stories, fairy tales - a market opened up by recently reduced printing costs and used to great effect by the likes of Arthur Conan Doyle. But Wilde, ever-contemptuous of writers who 'pandered to the masses', refused to produce straight genre-pieces.~~

~~The Selfish Giant, one of our Favorite Fairy Tales, was first published in 1888 as part of Oscar Wilde's collection of children's stories entitled The Happy Prince and Other Tales. That collection of children's stories also includes: The Happy Prince, The Nightingale and the Rose, The Devoted Friend, and The Remarkable Rocket.~~

~~The Selfish Giant—Short Stories and Classic Literature~~

Note: Oscar Wilde intended this story to be read to children. One morning the old Water-rat put his head out of his hole. He had bright beady eyes and stiff grey whiskers, and his tail was like a long bit of black india-rubber. The little ducks were swimming about in the pond, looking just like a lot of yellow canaries, and their mother, who was pure white with real red legs, was trying to teach them how to stand on their heads in the water.

~~Short Stories: The Devoted Friend by Oscar Wilde~~

by Oscar Wilde. [TO MISS MARGOT TENNANT - MRS. ASQUITH] Once upon a time two poor Woodcutters were making their way home through a great pine-forest. It was winter, and a night of bitter cold. The snow lay thick upon the ground, and upon the branches of the trees: the frost kept snapping the little twigs on either side of them, as they passed: and when they came to the Mountain-Torrent she was hanging motionless in air, for the Ice-King had kissed her.

~~The Star Child by Oscar Wilde~~

Oscar Wilde's fairy tales have been dramatized, made into films, ballets, plays and adapted for radio. The Selfish Giant is a multi-layered short story that will appeal to both children and adults because of the depth of its meaning. For young children it can be read literally about a giant who is mean and whose garden refuses to grow.

~~The Happy Prince, and Other Tales by Oscar Wilde~~

Oscar Wilde, in full Oscar Fingal O'Flahertie Wills Wilde, (born October 16, 1854, Dublin, Ireland—died November 30, 1900, Paris, France), Irish wit, poet, and dramatist whose reputation rests on his only novel, *The Picture of Dorian Gray* (1891), and on his comic masterpieces *Lady Windermere's Fan* (1892) and *The Importance of Being Earnest* (1895).

Complete texts of "The Happy Prince and Other Tales," "A House of Pomegranates," "Lord Arthur Savile's Crime and Other Stories," "Poems in Prose," and "The Portrait of Mr. W. H."

This collection of Oscar Wilde's writing includes fairy tales, short stories, and poetry. Influenced by the Irish fairy tales he heard as a child, Wilde allowed his imagination to run free across a variety of genres—from mystery to fantasy and the supernatural—while ensuring that his serious social and artistic concerns featured as an undercurrent throughout. From *The Happy Prince*, a tender story about friendship, compassion, and the transforming power of selfless love, to *The Remarkable Rocket*, a cautionary tale about a deluded, self-important firework, Wilde's aesthetic preoccupations are evident in every line. Witty, wise, generous spirited, and sometimes melancholy, these writings are a testament to Wilde's standing as a literary genius of the Victorian age.

An innovative new edition of nine classic short stories from one of the greatest writers of the Victorian era. "I cannot think other than in stories," Oscar Wilde once confessed to his friend André Gide. In this new selection of his short fiction, Wilde's gifts as a storyteller are on full display, accompanied by informative facing-page annotations from Wilde biographer and scholar Nicholas Frankel. A wide-ranging introduction brings readers into the world from which the author drew inspiration. Each story in the collection brims with Wilde's trademark wit, style, and sharp social criticism. Many are reputed to have been written for children, although Wilde insisted this was not true and that his stories would appeal to all "those who have kept the childlike faculties of wonder and joy." "Lord Arthur Savile's Crime" stands alongside Wilde's comic masterpiece *The Importance of Being Earnest*, while other stories—including "The Happy Prince," the tale of a young ruler who had never known sorrow, and "The Nightingale and the Rose," the story of a nightingale who sacrifices herself for true love—embrace the theme of tragic, forbidden love and are driven by an undercurrent of seriousness, even despair, at the repressive social and sexual values of Wilde's day. Like his later writings, Wilde's stories are a sweeping indictment of the society that would

Download Free Oscar Wilde Short Stories

imprison him for his homosexuality in 1895, five years before his death at the age of forty-six. Published here in the form in which Victorian readers first encountered them, Wilde's short stories contain much that appeals to modern readers of vastly different ages and temperaments. They are the perfect distillation of one of the Victorian era's most remarkable writers.

Oscar Wilde is best remembered for his longer works, his criticism and journalism, and his eventful life. But nothing distills his brilliance like his short fiction. Published here with facing-page annotations and an informative introduction by Nicholas Frankel, the stories pulse with Wilde's trademark wit, sharp social critique, and tragic love.

Wilde's short fiction includes such masterpieces as 'The Happy Prince', 'The Selfish Giant', 'Lord Arthur Savile's Crime' and 'The Canterville Ghost', as well as the daring narrative experiments of 'The Portrait of Mr. W. H.' and 'Poems in Prose'. This edition shows how they continue to enthral and challenge the reader.

Wilde wrote these delightful fairy tales for his two young sons. They were all published in the collection *The Happy Prince and Other Stories* in 1888. The 'Young King' tells how a shepherd boy becomes a king, 'The Star-Child' tells the story of a baby found in the forest and how he believes himself to be a magic Star-Child and in 'The Nightingale and the Rose' a little nightingale sacrifices her life to create the perfect red rose for a young student in love. This reader uses the EXPANSIVE READING approach, where the text becomes a springboard to improve language skills and to explore historical background, cultural connections and other topics suggested by the text. As well as the story and a playscript, this reader contains : Wide range of activities practising the four skills ; PET-style activities and Trinity-style activities (Grade 5) ; Dossiers : Life in Victorian Times and others ; Full recording of the text with additional listening activities.

Published here alongside their evocative original illustrations, these fairy tales by the celebrated playwright and poet include "The Happy Prince and Other Tales" and "A House of Pomegranates." Revised reissue.
