The coffee served is a blend of 100% arabica beans. The "original blend" is a medium, balanced roast that is the most popular served coffee in Canada. The chain has an "always fresh" policy where coffee is served within 20 minutes of brewing.

Tim Hortons - Wikipedia

Another big change in the coffee industry is the advent of new, coffee-specific appliances. Coffee grinders, drip machines, and espresso

makers are now available at every electronics store. These appliances make it easier than ever to consume coffee, thereby encouraging consumers to take up brewing at home.

PESTEL Analysis of the Coffee Industry

This Canadian coffee franchise opened their first store relatively recently in 1992. OK, maybe that's not very recent as I think since it's actually over 20 years ago. They've since grown beyond BC and also have locations in the Philippines and Japan. They are so Canadian, their tagline is actually, "The Canadian Coffee Company".
