Covers traditional and contemporary timbale patterns, rhythms for cowbell, cascara, cymbal, and more, tuning and maintenance, basic reading and notation, and patterns for school music ensembles. With two CDs of audio examples and play-along tracks.

This book approaches bongo playing in a very user-friendly way. It is a must for all students who wish to learn the basic styles, patterns, and techniques from world-renowned artist/teacher Richie Gajate-Garcia. This package contains two CDs with Richie performing all the exercises and includes play-along tracks to practice with. Styles include Cuban, Puerto Rican, Dominican, pop/rock, funk, and R&B, along with a section on school jazz band use. This is a complete study of the bongo drum and should be fun for all who use it. Also includes an in-depth study of all basic hand percussion instruments such as shaker, bells, cabasa, triangle, tamborine, maracas, and more.

Play Congas Now approaches conga playing in a very user-friendly way and is a must for all students who wish to learn the basic styles, patterns and techniques from world-renowned artist/teacher Richie Gajate-Garcia. The package contains two CDs with Richie performing all exercises and has play-along tracks to practice with. Styles include Cuban, Puerto Rican, Dominican, pop/rock, funk, and R&B, along with a section on school jazz band use. A complete study of the conga!

This text and CD package teaches timbales as played by the master percussionist Changuito. Topics include set-up, tuning, the clave, fills, independence exercises, listening recommendations, and a glossary of terms. Various styles are studied such as Danzon, Abanico, Cha-Cha-Cha, Mambo, Pilon, Mozambique, Merengongo, Conga, 6/8 Rhythms, Timba, Songo, Laye, and Afro-Cuban. Examples on the CD are performed by Changuito.

The Art of Playing Timbales, Volume 1 provides the perfect explanation of how the instruments of the Afro-Cuban percussion section (timbales, congas, bongos, and sometimes drumset) function as a unit. The rhythms are first presented for timbales, then with conga and bongos, and finally with adaptations for drumset.

Basic rhythms, variations, breaks, short solos and fill-ins for the mambo, cha-cha, merengue, bolero, samba, conga, beguien, paso doble, tango, montuno, calypso and joropo. Most rhythms are written for the timbales, but may be played on drums, cymbal or cowbell by making simple substitutions.

Designed for drummers and bass players, this book/CD lays out a step-by-step approach to combining Afro-Cuban rhythms with rock, funk and jazz.

"The popularity of The Bongo Book in addition to the high demand for resources on bongos prompted this second and more advanced book on bongo drumming. This follow-up reveals that the passion for the bongos is as great now as it was in the 1960's. Now, two more generations are discovering the joy of bongo drumming. What was lacking in the three decades were resources, a network and teaching material to guide students and hobbyists in the exploration of this fascinating instrument. The advent of the Internet with its web sites, newsgroups, and faster communication along with the flame and revival of bongo mania. Bongo Drumming is simply another step in the educational development of the bongos and an attempt to increase the awareness of this seemingly simple, yet immensely complex instrument. 2 CD's included."

Learn to play rhythms from all over the world on the djembe, conga, pandeiro, dumbek, fram drum and riq. After introducing the various families of drums and basic drum notation, the author takes you through each instrument from how to hold it to playing appropriate world rhythms. You'll learn about Nigerian Frekoba, West-African Djoli, the Latin clave and Samba, Moroccan folk rhythms, Arabic Dawr Hindy, and much more! 48 pages.
