To manually print on both sides of the paper, do one of

Where To Download

the following:

Print each page separately, and then copy the pages on a copier that supports double-sided copying. Display the side of the publication that you want to print first. In the Print dialog

Where To Download

box, under **Page**
range, click
Current page.

When the first
side is printed,
flip the sheet
over, and then
reinsert it into
the printer and
print the other
side.
