~~Psychometric Theory—Jum Nunnally, Nunnally Jum, Ira H...~~

Publishing textbooks is a money-making racket, so when Nunnally died, his publisher recruited a co-author, Bernstein, to periodically update Nunnally's book. Bernstein may be an unusually accomplished tests and measurement guy, but his prose rendering of technical material is not nearly as lucid as Nunnally's.

## Psychometric Theory

The purpose of understanding Nunnally and Bernstein, of course, is that the more you understand the more you will be able to apply fundamental principles of measurement to your own research. It is the basic assumption of this course that all research can be improved by improving the quality of measurement used in that research.
