Querelle de Brest. Jean Cocteau first met Jean Genet in Paris in February 1943, and though they were probably never sexually-intimate friends their shared ideas and interests meant that they regularly worked together. That was also the year when Genet's first novel, *Notre Dame des Fleurs*, was published, a largely autobiographical account of a journey through the Parisian underworld, in which the characters are mostly homosexuals living on the fringes of society.

Querelle (Roman) – Wikipedia

Jean Genet signe ici avec Querelle de Brest un roman peu ordinaire, un chef d'oeuvre malheureusement trop méconnu de la littérature française du XXème siècle. Ce livre est d'une harmonie exceptionnelle: il brille tant par le style que par le fond.

The title character of Genet's novel is a handsome, seductive, sociopathic sailor who has linked the act of theft and murder into a ritual of mystical transcendence. Not that Querelle himself would see it that way inasmuch as he is a figuration of Genet's ideal beautiful male--a pretty brute, an amoral monster of transcendent physical perfection.

Jean Genet, French playwright, novelist and poet, turned the experiences in his life amongst pimps, whores, thugs and other fellow social outcasts into a poetic literature, with an honesty and explicitness unprecedented at the time. Widely considered an outstanding and unique figure in French literature, Genet wrote five novels between 1942 and 1947, now being republished by Faber & Faber in beautiful new paperback editions. Querelle of Brest is widely considered to be Jean Genet's most accomplished novel, which was made into a film by Rainer Werner Fassbinder in 1982. ineluctable something? In *Someone*, Michael Lucey considers characters from twentieth-century French literary texts whose sexual forms prove difficult to conceptualize or represent. The characters expressing these "misfit" sexualities gravitate towards same-sex encounters. Yet they differ in subtle but crucial ways from mainstream gay or lesbian identities--whether because of a discordance between gender identity and sexuality, practices specific to a certain place and time, or the fleetingness or non-exclusivity of desire. Investigating works by Simone de Beauvoir, Colette, Jean Genet, and others, Lucey probes both the range of same-sex sexual forms in twentieth-century France and the innovative literary language authors have

used to explore these evanescent forms. As a portrait of fragile sexualities that involve awkward and delicate maneuvers and modes of articulation, Someone reveals just how messy the ways in which we experience and perceive sexuality remain, even to ourselves.

Starting in 1970, Jean Genet—petty thief, prostitute, modernist master—spent two years in the Palestinian refugee camps in Jordan. Always an outcast himself, Genet was drawn to this displaced people, an attraction that was to prove as complicated for him as it was enduring. Prisoner of Love, written some ten years later, when many of the men Genet had known

had been killed, and he himself was dying, is a beautifully observed description of that time and those men as well as a reaffirmation of the author's commitment not only to the Palestinian revolution but to rebellion itself. For Genet's most overtly political book is also his most personal—the last step in the unrepentantly sacrilegious pilgrimage first recorded in *The Thief's Journal*, and a searching meditation, packed with visions, ruses, and contradictions, on such life-and-death issues as the politics of the image and the seductive and treacherous character of identity. Genet's final masterpiece is a lyrical and philosophical voyage to the bloody intersection of oppression, terror, and desire at the heart of the
