Teaching Resources

Numicon number rods are used in Kit 1 and Kit 2 activities, so can buy these if you or your school does not have a set already. The larger Class kits are designed for

Read Book Read Numicon Kit 1 Copy Masters 15883

whole class use and are especially recommended if Numicon is being used with groups of children, whereas the Single user kits have the same items but less plastic shapes/pegs, so are suitable for use with one child.

Evaluating the Numicon system as a tool for teaching ...

Children are now ready to move on to Numicon Kit 1 which relates to the English National Curriculum Levels 1 and 2 and the Primary Numeracy Strategy. To check their children's progress and follow through the teaching programme parents can refer to the Numicon Assessment Signposts and Record of Progress, available from Numicon at a cost

of £12.50.

Teaching number skills and concepts with Numicon materials
Numicon is the market-leading primary school maths programme that offers teachers a wealth of resources that can be used across EYFS, KS1, KS2, and bridging the gap to KS3.. Based on a concrete-pictorial-abstract approach, Numicon encourages children to explore maths using structured imagery and apparatus in order to understand and explain mathematical concepts.
