Heir to the Sky by Amanda Sun, Paperback | Barnes & Noble®

The thrilling next story in the The Talon Saga, the incredible new YA fantasy series from New York Times bestselling author Julie Kagawa. When forced to choose between the sinister Talon organisation and being hunted by her own kind, dragon-human hybrid Ember fled.

Deserter. Traitor. ROGUE. Ember Hill left the dragon organization Talon to take her chances with rebel dragon Cobalt and his crew of rogues. But she can't forget Garret, the soldier of the dragonslaying Order of St. George who saved her from a Talon assassin--and by doing so, signed his own death warrant. Determined to save Garret from execution, Ember must convince Cobalt to help her break into the Order's headquarters. With assassins after them and Ember's own brother helping Talon with the hunt, the rogues find an unexpected ally in Garret and a new perspective on the underground battle between Talon and St. George. A reckoning is brewing, and the secrets hidden by both sides are shocking and deadly. Soon Ember must decide: Should she retreat to fight another day...or start an all-out war?

THE DRAGONS OF TALON: Once hunted nearly to extinction, they are now poised to take over the world. **THE ORDER OF ST. GEORGE:** The legendary dragonslayers will stop at nothing to wipe dragons from the face of the earth. These mortal enemies are locked in secret and deadly combat, with humanity none the wiser. To take her rightful place in the Talon organization, young dragon Ember Hill must prove she can hide her true nature and blend in with humans. Her delight at the prospect of a summer of "normal" teen experiences is short-lived, however, once she discovers that she's also expected to train for her destined career in Talon. But a chance meeting with a rogue dragon will soon challenge everything Ember has been taught. As Ember struggles to accept her future, St. George soldier Garret Xavier Sebastian is tasked with hunting her down. But when faced with Ember's bravery, confidence and all-too-human desires, Garret begins to question everything the Order has ingrained in him--and what he might be willing to give up to uncover the truth about dragons.

From the limitless imagination of Julie Kagawa comes the next thrilling novel in The Talon Saga. The legions will be unleashed, and no human, rogue dragon or former dragonslayer can stand against the coming horde. Dragon hatchling Ember Hill was never prepared to find love at all, let alone with a human and a former dragonslayer. With Garret dying at her feet after sacrificing his freedom and his life to expose the deepest of betrayals, Ember knows only that nothing she was taught by dragon organization Talon is true. About humans, about rogue dragons, about herself. Ember vows to stand against St. George and her own twin brother, Dante—the heir apparent to all of Talon, and the boy who will soon unleash the greatest threat and terror dragonkind has ever known. Talon is poised to conquer the world, and the abominations they have created will soon take to the skies, darkening the world with the promise of blood and death to those who will not yield.

When forced to choose between safety with the dragon organization Talon and being hunted forever as an outcast, Ember Hill chose to stand with Riley and his band of rogue dragons rather than become an assassin for Talon. She's lost any contact with her twin brother, Dante, a Talon devotee, as well as Garret, the former-enemy soldier who challenged her beliefs about her human side. As Ember and Riley hide and regroup to fight another day, Garret journeys alone to the United Kingdom, birthplace of the ancient and secret Order of St. George, to spy on his former brothers and uncover deadly and shocking secrets that will shake the foundations of dragons and dragon-slayers alike and place them all in imminent danger as Talon's new order rises.

From the internationally bestselling author of The Iron Fey series comes the final novel in the fiery and unforgettable Talon Saga. Get ready to burn... TODAY, WE STRIKE BACK. WE SHOW TALON THAT WE WILL NEVER ACCEPT THEIR NEW WORLD. Ember Hill has learned a shocking truth about herself: she is the blood of the Elder Wyrm, the ancient dragon who leads Talon and who is on the verge of world domination. With the Order of St. George destroyed, Ember, Riley and Garret journey to the Amazon jungle in search of one who might hold the key to take down the Elder Wyrm and Talon. If they can survive the encounter. Meanwhile, Ember's brother, Dante, will travel to China with a message for the last Eastern dragons: join Talon or die. With the stakes rising and the Elder Wyrm declaring war, time is running out for the rogues and any dragon not allied with Talon. The final battle approaches. And if Talon is victorious, the world will burn.
