Royal Saga - tome 2 Captive-moi eBook by Geneva Lee ...
épiloguer. D'une part parce que c'est un prince de sang royal, l'héritier de la couronne d'Angleterre, mais aussi parce qu'il manifeste une autorité quasiment primale. On ne le questionne pas et lui-même ne pose pas de questions. Mais là, devant moi, son attitude est inimaginable.

Clara Bishop est une femme moderne. Brillante jeune diplômée, introvertie et échaudée par un passé amoureux catastrophique, elle est bien décidée à faire de sa carrière un succès. Elle accepte un jour de suivre sa colocataire à une réception huppée à laquelle participe tout le gotha et rencontre un bel et mystérieux inconnu au charme ravageur au détour d'un couloir. Quelle n'est pas sa surprise lorsqu'elle découvre quelques jours plus tard à la une de tous les journaux à scandale une mauvaise photo floue de leur furtif baiser. Elle a embrassé le Prince héritier Alexander de Cambridge et il veut la revoir... Prince d'accord mais surtout bad boy ! Pas prince charmant pour deux sous. Il contrôle, il exige. Il est dangereux. Et elle n'arrive pas à lui dire non... Tous les deux ont des secrets qui pourraient les déchirer ou les conduire à se rapprocher, mais les paparazzi emmêlent tout. Elle doit décider jusqu'où elle est prête à aller... pour le roi et pour le pays. Entre secrets et scandales, une relation explosive nait de leurs étreintes passionnées mais le sort et la presse s'acharnent et tous deux luttent autant contre leurs démons que leurs familles pour arriver à s'aimer. Des dialogues très enlevés, un humour so british, des traumatismes d'enfance, des morts, des méchants en mini jupe ou en complet trois pièces, des seconds rôles invraisemblables (la vieille tante follette tout droit sortie des années 70, la Reine qui dit des grossièretés, la copine culottée, le frère homo, etc.), la série de Geneva Lee est addictive, sensuelle et très bien scénarisée.

From the New York Times bestselling series with nearly two million books sold worldwide comes the second sizzling book in the seductive Royals Saga. Secrets tore them apart. Can love set them free? Broken-hearted and alone, Clara tries to move on after her final night with Alexander. She throws herself into work, exercise, and anything that might help her forget their torrid love affair. But Alexander isn't a man who gives up easily, and when he finally shows her how he feels, she wants to believe they can make their relationship work. But they both have secrets and when the darkness of their past threatens their fragile arrangement, nothing will ever be the same.

A man with the world at his feet, and he stole a kiss from me. It should have ended there, since I had no idea who he was. Except that kiss was caught by someone's camera, and now the picture is splashed on tabloids all over the world. I should have recognized him: Prince Alexander of Cambridge. Royal bad boy. Exiled heir to the throne. He's controlling. He's demanding. He's dangerous. He warns me to stay away--that the press and his family will destroy me. I should run, but I can't. The last thing I expected was that I'd fall in love, especially since he never will... Passion, intrigue, and romance--Experience the international bestselling phenomenon with nearly two million copies sold and be swept into the dark and sensual world of the Royals.

From New York Times & Internationally bestselling author Geneva Lee comes the wedding of the century complete with sex, lies, and murder... After facing their pasts, Alexander and Clara are ready to finally get married. Although Clara is overjoyed, the celebrations can't protect her from the prying eyes of the world. Even as Alexander tries to shield her, they know it's simply a taste of the life she's chosen by becoming his wife. They thought they overcame the obstacles keeping them apart, but an even bigger one stands in the way of their marriage: the Royal family. Without permission to wed, Alexander might have no choice but to give up his crown for the woman he loves. But an ever more dangerous shadow looms over the couple, threatening to destroy their happily-ever-after before its even begun. As Alexander grows more possessive, Clara must decide if she's ready to be his wife—and the future Queen of England. Alexander and Clara's epic love story comes to its heart-stopping climax in the third book of the bestselling Royals Saga.

"Fighter pilots tell the greatest stories and the great ones tell the best stories of all" "PAT CONROY, bestselling author of The Great Santini and The Death of Santini "This book is not only among the finest war writing ever but, like Viktor Frankl's Man's Search for Meaning, Solitary sits alongside the most profound reflections on the resilience and capacity of the human soul." "STEVEN PRESSFIELD, bestselling author of The Lion's Gate and The War of Art "Solitary is a gutsy story of one man's survival, endurance, and strength of will" "LARRY ALEXANDER, bestselling co-author of A Higher Call "I anxiously await the day my own sons are old enough to read it." "RICH COHEN, bestselling author of Tough Jews "You will tear through this book" "RYAN HOLLIDAY, bestselling author of The Obstacle is the Way "It grabs you immediately, and doesn't let go until you're finished." "TUCKER MAX, bestselling author of I Hope They Serve Beer in Hell "A magnificent triumph of the human spirit"I was captivated from the first page to the last." "SEAN PARNELL, bestselling author of Outlaw Platoon Giora Romm was the Israeli Air Force's first fighter ace. As a twenty-two-year-old lieutenant he shot down five MiGs during the Six Day War of 1967. Fourteen months later over the Nile Delta, an Egyptian missile exploded beneath the tail of his Mirage IIIC. Within moments Romm found himself hanging by the straps of his parachute, with a broken arm and a leg shattered in a dozen places, looking down from 10,000 feet. Streams of farmers and field workers converged below onto the spot toward which his chute was descending, with the intention, he was certain, of hacking him to death as soon as his feet touched the earth. No other Israeli pilot had survived capture in Egypt or in any other Arab state. Solitary is Romm's story of his imprisonment, torture, interrogation, release, and return to service. Solitary is not a "war book." It's not a tale of heroism, though if anyone ever qualified for that distinction, it is this story's author. Solitary is not even, in its deepest parts, about captivity or imprisonment. Solitary is about Romm's inner war. It's the story, in his phrase, "of a fall from a great height," not only literally but metaphorically. Romm could not tell his captors the truth about who he was or what he had done. He had to invent an entire fictional biography and keep it straight in his head through months of beatings and interrogations, all the while being held in solitary confinement with his body sheathed from chest to toe in a plaster cast. Solitary is not a grim book. It's full of wry humor, keen self-observations and revelations. An ordeal such as Romm endured is a sojourn in hell, but it is also a passage. Romm fell, and he came back. Solitary is his indelible account of confronting, as few of us ever will, his own fears and limitations, and discovering, ultimately, his capacity to survive and to prevail. "From the Introduction by Steven Pressfield

Loving her was nothing I could ever have imagined... I met Clara Bishop when I least expected. We've weathered dangerous storms together, but our love has always been a tempest. I'm not a perfect man, but I will fight to protect her and I'll do everything in my power to keep her. But first I have to prove that she completes me. Return to the world of the Royals and their intersecting lives, loves, and secrets. When Alexander discovers a shocking mystery in his father's past, it threatens to divide him and Clara forever. As Belle builds her company, she ignores the pain of last year's events. Can Smith help her move forward once and for all? Edward shocked everyone when he embraced his love for David, but a wedding seems further away than ever before. Will the couple finally make the leap?

* Instant New York Times Bestseller * Indie Bestseller * In this stunning new fantasy novel from international bestselling author C. S. Pacat, heroes and villains of a long-forgotten war are reborn and begin to draw new battle lines. This epic fantasy with high-stakes romance will sit perfectly on shelves next to beloved fantasy novels like the Infernal Devices series, the Shadow and Bone trilogy, and the Red Queen series. Sixteen-year-old dock boy Will is on the run, pursued by the men who killed his mother. Then an old servant tells him of his destiny to fight beside the Stewards, who have sworn to protect humanity if the Dark King ever returns. Will is thrust into a world of magic, where he starts training for a vital role in the oncoming battle against the Dark. As London is threatened and old enmities are awakened, Will must stand with the last heroes of the Light to prevent the fate that destroyed their world from returning to destroy his own. Like V.E. Schwab's A Darker Shade of Magic and Shelby Mahurin's Serpent & Dove, Dark Rise is more than just high intrigue fantasy—it's fast-paced, action-packed, and completely surprising. Readers will love exploring the rich setting of nineteenth-century London. This thrilling story of friendship, deception, loyalty, and betrayal is sure to find a passionate audience of readers.

Mr. Babb, a descendant of resolute venturesome pioneer stock, entered upon an eventful boyhood in the untamed wilds of the western border of Texas in a locality and period when the mounted Indian marauder with his panoply of war and death was often seen silhouetted against the distant horizon, at a time when the spectre of tragedy and desolation, of atrocious massacre, mutilation, captivity, and torture, cast its terrifying shadow athwart the fireside of every pioneer home; when, unheralded, cunning monsters of vindictive savage hate, here and there among the settlers, in unguarded repose or fancied security, sprang from stealthy ambush, from the wood-land's dark border, the sheltering hillside and gulch, or the shadowy lustre of an unwelcome fateful full moon, amid and unheeding the shrieks of horror and frenzied slaughter, mingled with the cries of anguish and prayers of women and children kneeling before their doom, they struck with the fangs of the most vicious, merciless, and unreasoning beast, and in their unrestrained and unresisted madness and ferocity, they left in the crimson wake a sickening chapter of ghastly human wreckage of whole families exterminated, in either a fiendish butchery or revolting captivity without a counter part in all the annals of every race and age since the hour of the dawn of Christendom, if not since the world began.
