July, 1944. Ivan Roluk couldn't believe he was listening to a 15-year-old girl - and putting his life and the life of his family in her hands! But she was right. Driving trains for the Nazis for three years now, he knew exactly who the Germans were. He knew that there were once more than

behind him. The 20

over 1,000 wounded  
Nazi soldiers snaked

was that? It sounded

which was occupied  
by high-ranking Nazi  
officers. Was one of  
them coming up
