*Language Acquisition Stephen
Krashen on Language Acquisition
Interlanguage and Language
Teaching* **Second Language
Acquisition Rod Ellis**

In this book Mr. Ellis seeks to DESCRIBE the developments in Second Language Acquisition from the 1960's until publication in 2008. Unfortunately, in doing so, the author EXPLAINS nothing. This criticism is perhaps unfair, as many of the issues in language acquisition are unresolved and open to interpretation; Ellis states as much in the introduction and offers his readers the task of forming their own conclusions.
