Bryman (2012) Chapter 6 Ethics & politics in social research

He is best known for three main areas of work. Bryman has long been associated with research methods and in particular the use of mixed methods; this led to him publishing the book *Social Research Methods and Quantitative Data Analysis with SPSS 12 and 13: A Guide for Social Scientists* with Duncan Cramer.

Alan Bryman - Wikipedia

This is the first book I read for my graduate studies this year. It is a good introduction to social research methods and has good sections on research questions, review of literature, the nature of quantitative research, the nature of qualitative research, quantitative and qualitative data analysis, ethics in research, and many more.
