Strengthsquest Curriculum Outline And Learning Activities

~~Within the last several years, nearly 500 colleges and universities have explored the application of strengths through the implementation of strengths-based programming. This programming attempts to identify and apply a student's individual strengths to various aspects of life (Lopez & Louis, 2009). Research from using the StrengthsQuest program indicates that students improve in their confidence, motivation, sense of direction and compassion toward others as they become aware of their ...~~
