Takedown: A Gavin Pierce Novel (Inglés) Pasta blanda – 1 junio 2003 por Bill Griffiths (Autor), W. G. Griffiths (Autor)

Long Island detective Gavin Pierce, fresh from defeating the ungodly serial killer Krogan, is back to solving more down-to-earth crimes.

New York detective Gavin Pierce thinks his life is back to normal now that he has accomplished the impossible task of defeating a centuries-old demon. But he soon discovers that this fight is far from over, as a bent-on-revenge Krogan has managed to escape.

In the second chilling installment of Griffiths's spiritual thriller series, New York detective Gavin Pierce again faces his old nemesis, Krogan--the demon serial killer he defeated in "Driven." Feeling secure in his victory, Gavin soon discovers that a bent-on-revenge Krogan has managed to escape.

Methuselah's Pillar moves at quantum speed as the action thriller combines worlds of germ warfare, espionage, myth and ancient history. A shepherd minding his flock thinks he's heard thunder. He's soon running for his life as rockets swoosh by. A missile explodes on a ravine hillside and opens a crevasse. He dives in for cover but falls into an ancient sanctuary where he finds a lost ancient artifact known as Methuselah's Pillar. According to legend, Methuselah had received the inscribed pillar from his seven times great grandfather, Adam, and then went on to become the oldest man who ever lived. Later, Moses possessed the pillar and delivered the Hebrews from the powerful Egyptian army with miracles. Did some of Moses' divine help come from another time and place? Does the pillar contain information, secrets, that today's scientists could find extremely helpful, or deadly, to humanity? American surveillance drones in Afghanistan discover something that demands closer investigation. Samantha Conway, a renowned archaeologist and expert in ancient writings, soon finds herself caught between the CIA and insurgents in a race to translate miraculous recipes of life and death as the last and most deadly of Moses' plagues returns.

'Book Review Index' provides quick access to reviews of books, periodicals, books on tape and electronic media representing a wide range of popular, academic and professional interests. More than 600 publications are indexed, including journals and national general interest publications and newspapers. 'Book Review Index' is available in a three-issue subscription covering the current year or as an annual cumulation covering the past year.

An autobiographical exploration of the role and meaning of music in our world by one of India's greatest living authors, himself a vocalist and performer. Amit Chaudhuri, novelist, critic, and essayist, is also a musician, trained in the Indian classical vocal tradition but equally fluent as a guitarist and singer in the American folk music style, who has recorded his experimental compositions extensively and performed around the world. A turning point in his life took place when, as a lonely teenager living in a high-rise in Bombay, far from his family 's native Calcutta, he began, contrary to all his prior inclinations, to study Indian classical music. Finding the Raga chronicles that transformation and how it has continued to affect and transform not only how Chaudhuri listens to and makes music but how he listens to and thinks about the world at large. Offering a highly personal introduction to Indian music, the book is also a meditation on the differences between Indian and Western music and art-making as well as the ways they converge in a modernism that Chaudhuri reframes not as a twentieth-century Western art movement but as a fundamental mode of aesthetic response, at once immemorial and extraterritorial. Finding the Raga combines memoir, practical and cultural criticism, and philosophical reflection with the same individuality and flair that Chaudhuri demonstrates throughout a uniquely wide-ranging, challenging, and enthralling body of work.
