DPS Troopers and various local law enforcement across Texas will be enhancing enforcement efforts during spring break, watching for speeders, drunk drivers and seat-belt violators. "Safety is our top priority at DPS, and we are asking the public to do their part by driving responsibly, obeying the laws and monitoring road conditions during their spring break travels," said DPS Director ...

This book on Restorative Discipline Practices (RDP) will provide anecdotes and process stories by authors from diverse backgrounds including: classroom teachers, school administrators, campus coordinators, juvenile justice officials, community leaders and university professors. It will be an inspiration and reference for educators as they begin or continue to implement RDP in the schools.

An introduction to leadership draws on a program developed for an elementary school to show how to apply the principles of "The 7 Habits of Highly Effective People" to help everyone, including young children, identify and use their individual talents.

No one has done more to introduce the world to the authentic, flavorful cuisines of Mexico than Diana Kennedy. Acclaimed as the Julia Child of Mexican cooking, Kennedy has been an intrepid, indefatigable student of Mexican foodways for more than fifty years and has published several classic books on the subject, including The Cuisines of Mexico (now available in The Essential Cuisines of Mexico, a compilation of her first three books), The Art of Mexican Cooking, My Mexico, and From My Mexican Kitchen. Her uncompromising insistence on using the proper local ingredients and preparation techniques has taught generations of cooks how to prepare—and savor—the delicious, subtle, and varied tastes of

Mexico. In *Oaxaca al Gusto*, Kennedy takes us on an amazing journey into one of the most outstanding and colorful cuisines in the world. The state of Oaxaca is one of the most diverse in Mexico, with many different cultural and linguistic groups, often living in areas difficult to access. Each group has its own distinctive cuisine, and Diana Kennedy has spent many years traveling the length and breadth of Oaxaca to record in words and photographs "these little-known foods, both wild and cultivated, the way they were prepared, and the part they play in the daily or festive life of the communities I visited." *Oaxaca al Gusto* is the fruit of these labors—and the culmination of Diana Kennedy's life's work. Organized by regions, *Oaxaca al Gusto* presents some three hundred recipes—most from home cooks—for traditional Oaxacan dishes. Kennedy accompanies each recipe with fascinating notes about the ingredients, cooking techniques, and the food's place in family and communal life. Lovely color photographs illustrate the food and its preparation. A special feature of the book is a chapter devoted to the three pillars of the Oaxacan regional cuisines—chocolate, corn, and chiles. Notes to the cook, a glossary, a bibliography, and an index complete the volume. An irreplaceable record of the infinite world of Oaxacan gastronomy, *Oaxaca al Gusto* belongs on the shelf of everyone who treasures the world's traditional regional cuisines.

Gregg Easterbrook, author of the wildly popular ESPN.com column *Tuesday Morning Quarterback* takes on football's place in American society. Gridiron football is the king of sports - it's the biggest game in the strongest and richest country in the world. Of the twenty most-watched television broadcasts ever, both in the United States and internationally, all twenty were Super Bowls. In *The King of Sports*, Easterbrook tells the full story of how football became so deeply ingrained in American culture. Both good and bad, he examines its impact on American society at all levels of the game. *The King of Sports* explores these and many other topics: * The real harm done by concussions (it's not to NFL players). * The real way in which college football players are exploited (it's not by not being paid). * The way football helps American colleges (it's not bowl revenue) and American cities (it's not Super Bowl wins). * What happens to players who are used up and thrown away (it's not pretty). * The hidden scandal of the NFL (it's worse than you think). Using his year-long exclusive insider access to the Virginia Tech football program, where Frank Beamer has compiled the most victories of any active NFL or major-college head coach while also graduating players, Easterbrook shows how one big university "does football right." Then he reports on what's wrong with football at the youth, high school, college and professional levels. Easterbrook holds up examples of coaches and programs who put the athletes first and still win; he presents solutions to these issues and many more, showing a clear path forward for the sport as a whole. Rich with reporting details from interviews with current and former college and pro football players and coaches, *The King of Sports* promises to be the most provocative and best-read sports book of the year.

Sociocultural Studies in Education: Critical Thinking for Democracy fills a void in the education of educators and citizens in a democracy. It explores some of the fundamentals around which disagreements in education arise. It presents a process with which those new to these debates can understand often confusing and entwined sets of facts and logics. This book leads the reader through some general concepts and intellectual skills that provide the basis for making sense out of the debates around public education in a democracy. This book can be seen as a primer on how to read texts about education. It acknowledges that good teachers must be not only trained to teach, but also educated about education. It presents the various themes and currents found within the arguments and narratives that people use to represent public education. It assumes that the more those interested in education know about how to see through the rhetoric, the better they will be at discerning whose interests are served by which texts.

A Sankofa Moment gives the 48-year history of the Trinity United Church of Christ with a major emphasis on the building of the largest United Church of Christ congregation within the denomination that developed several ministries and several entities under the pastorate of Rev. Jeremiah A. Wright, Jr.
