Since its initial publication, Textual Criticism of the Hebrew Bible has established itself as the indispensable authoritative textbook and reference on the subject. In this thoroughly revised third edition, Emanuel Tov has incorporated the insights of the last ten years of scholarship, including new perspectives on the biblical texts among the Dead Sea Scrolls, all of which have now been published.

(PDF) TEXTUAL CRITICISM OF THE HEBREW BIBLE--Tov | ERNST ...

This book outlines the principles of textual criticism of the Hebrew Bible. Especially helpful are discussions of how this field is different than that of Greek New Testament textual criticism. Note that this book is more of a manual for how to do textual criticism than it is a summary of the current state of knowledge in the field (although it does have a fair amount of that too).

Author: Emanuel Tov. Thirty-three revised and updated essays on the textual criticism of the Hebrew Bible, Qumran and the Septuagint, originally published between 2008 and 2014 are presented in this volume, the third volume of the author's collected writings. All three areas have developed much in modern research, and the author, the past editor-in-chief of the international Dead Sea Scrolls publication project, is a major speaker in all of them.

Textual History of the Bible - Brill

Textual criticism is a branch of textual scholarship, philology, and of literary criticism that is concerned with the identification of textual variants, or different versions, of either manuscripts or of printed books. Such texts may range in dates from the earliest writing in cuneiform, impressed on clay, for example, to multiple unpublished versions of a 21st-century author's work.
